

Russians Removing Bombers From Cuba

WASHINGTON (AP) — The Russians have begun taking their IL-28 jet bombers out of Cuba, the U.S. defence department announced today.

Assistant Defence Secretary Arthur Sylvester announced that the first of a reported 30 or more twin-jet bombers "are in the process of being withdrawn."

Photographs taken by U.S. patrol planes indicated that the Russian ship Ochotnik was moving off the northern coast of Cuba on Saturday with three bomber fuselages visible on its deck, Sylvester told a press conference.

IN CALIFORNIA FOG

Oriana Bumps Into Carrier

LONG BEACH, Calif. (AP)

The U.S. aircraft carrier Kearsarge and the big British passenger liner Oriana collided in a fog today. First reports were that no one was hurt but that both ships suffered damage.

Both headed for berths here after the collision a mile off Long Beach breakwater.

One source reported that the Kearsarge had a 15- by 20-foot hole in its bow and the Oriana had a 15- by seven-foot hole above the water line its bow.

The Kearsarge is the carrier that recovered astronaut Wally Schirra in the Pacific after his six-orbit space flight earlier this year. The Oriana, put into service last year, is the \$40,000 pride of the P. and O. Orient Line.

The Oriana's bow was reported damaged, but early reports that a fire had broken out proved wrong.

The Kearsarge was reported damaged on one side and there were reports of a fire that was controlled.

The Oriana left San Francisco Sunday with an estimated 800 passengers en route to Honolulu and Australia via Los Angeles.

The Oriana is a familiar sight to Victorians on her trips through Juan de Fuca Strait.

About 50 persons from Vancouver Island boarded the Oriana at Vancouver Thursday on her present voyage.

Top Italy Red Lines Up With Russia

ROME (AP) — The Italian Communist chief, Palmiro Togliatti, accused Red China and its European ally Albania Sunday of a smear campaign against world communism.

He added that in view of the dangers of nuclear war, Communists must seek a non-aggression pact between East and West. Togliatti made the statement in a three-hour speech opening his party's annual six-day national congress.

The 60-year-old political secretary of Western Europe's biggest Communist party lined up solidly with the Soviet Union in the Moscow-Peking dispute.

Togliatti spoke of "great respect" for Communist China, but called Peking's border conflict with India "unreasonable and absurd."

A conflict between India and China cannot but have negative effects on the fight against imperialism and for peace. Therefore we are disturbed at seeing Chinese Communists engaged in a conflict whose necessity we do not understand."

Pope John Recovering

VATICAN CITY (UPI) — The Vatican said today that Pope John is well on the way to "complete recovery."

MOPSY AND SAMBO

Hoping they are harbingers of spring is Mrs. Arthur Fleming of 5118 Patricia Bay Highway as she admires newborn lambs Mopsy and Sambo. The ewe delivered the black twins this morning "and I believe its unusual for lambs to come in December—maybe spring's coming," said Mrs. Fleming. (Times photo by Bill Halkett.)

FOR A-TESTS

Russia Approves Robot Detectors

GENEVA (UPI) — The Soviet Union today accepted the idea of using "black boxes"—robot detectors — to help police a comprehensive nuclear test ban.

But Soviet delegate Semyon K. Tsarapkin stood fast against the Western demand for a compulsory on-site inspection system to check on suspicious underground disturbances.

He also rejected proposals put forward by non-nuclear nations to have all testing stopped by New Year's Day.

Tsarapkin gave the Soviet position at the 17-nation disarmament conference after U.S. Ambassador Arthur H. Dean urged the Russians to abandon their resistance to on-site inspections and thereby clear the way to speedy conclusion of a test ban treaty.

The black boxes are unmanned seismic instruments which would be scattered around the world to record shocks.

Such robot detectors, Tsarapkin said, could be used to augment the records compiled by existing national detection systems. He did not maintain that the boxes would supply the complete answer to the detection problem, but said such robot instruments might aid in obtaining a solution.

While Dean sought to identify American policy with the programs put forward by the nonaligned countries, Tsarapkin turned down the compromise suggestions.

The Soviet delegate said:

"The proposals from Sweden, Mexico, Canada and India only create new difficulties and complicate our problem. Let us not be shunted into sidelines as suggested by the Canadians and others."

SHARP RETORT

This last remark drew a sharp response from Canada's Gen. E. L. M. Burns.

Burns told the conference that apparently the Russian idea of a compromise was that everyone else had to swallow the Soviet position.

He instructed Attorney-General Robert Kennedy to seek an immediate federal injunction against continuation of the Lockheed strike.

JEROME MAY NEVER RACE AGAIN

VANCOUVER (CP) — The Sun says Harry Jerome must wait six months or more before he'll know if he'll ever be able to sprint again.

Co-holder of two world sprint records, Jerome now is progressing favorably in hospital from surgery that patched up a muscle torn loose in the final of the 100-yard dash at the British Empire Games in Perth, Australia.

Bruce Larsen, Sun sports editor, says Jerome was told before he consented to the operation that without surgery the muscle tear would stop him from all future track competition.

The two specialist surgeons who did the patching told him his only chance for further competition was through the operation. They didn't give him odds on success," Larsen says.

VISITS RUSSIA

Twelve-day "unofficial" holiday in Russia was begun today by President Tito of Yugoslavia. He is expected, however, to hold policy talks with Premier Khrushchev. It is Tito's first visit to the Soviet Union in six years.

First Busload Tuesday

City Hall officials today held a quick strategy meeting as a busload of Sons of Freedom Dukhobors prepared to head for Victoria.

Premier Bennett promised to meet leaders of the Freedoms, who say they plan to camp on the lawns of the Legislative Buildings.

Mayor R. B. Wilson, after an hour's talk with council members and city staff, said the session was devoted to assessing the situation of responsibilities.

"We were just studying the position," he said, declining to elaborate.

Earlier, aldermen had been told that responsibility for policing the Legislative Buildings property rests with the RCMP.

CONFIDENT

City Hall officials generally displayed steady confidence that the arrival of the Freedoms would not cause any serious problems and they indicated they felt the less said about the situation the better.

One council member even drew some humor from the occasion, quipping: "It looks like our Publicity Bureau has really overstepped itself in efforts to extend the tourist season."

"If they send some representatives here, I'll see them," Mr. Bennett said at a press conference.

But he wouldn't say if the Freedoms will be allowed to camp on the lawns, as they say they will.

"That isn't my responsibility," he said.

WHY ANTICIPATE

Asked whose it was, he replied: "They haven't camped on the lawn yet—why anticipate things?"

He said he didn't know what measures should be taken because nobody else had ever done it.

Alex Reibin, 1009 Fairfield, a Victoria shipyard worker and a Dukhobor, said he will meet the Freedoms in Victoria and do everything he can to help them. Last month he took blankets and food to Freedoms camped near him.

He said the only solution to the Freedome problem is for the B.C. government leaders to sit down and talk with them.

Mr. Bennett said the government has done everything it could so far to help the Freedoms. It has given them the vote, recognized their mark.

TORONTO (CP) — Wrong John, John.

Prime Minister Diefenbaker, attending the start of the two-part Grey Cup final here Saturday, started out to find the men's washroom.

Running behind a police escort the official party groped its way through the foggy corridors of the CNE stadium and came up against a door labeled: Ladies.

But he wouldn't say if the Freedoms will be allowed to camp on the lawns, as they say they will.

"That isn't my responsibility," he said.

Two Safes Cracked

Thieves broke into two safes in the Greater Victoria area over the weekend, netting over \$7,000, it is believed.

Colwood RCMP are investigating a safe-cracking which occurred some time Sunday night in the Colwood Pharmacy, 801 Goldstream.

Manager of the store, R. E. Spurling, said the thieves took "a considerable sum," before receiving receipts from Friday, Saturday and Sunday.

Total sum taken is believed to be about \$7,000.

City police also received a report of a safe-cracking over the weekend at Humber Bros. Furniture

Mrs. Betty Schofield, 1219 Old Esquimalt Road, has disagreed with a criticism of the new Coventry Cathedral in Saturday's Roundabout.

"I was there last July," she said, "and was deeply impressed by the beauty of the cathedral. It seemed to me so very representative of this century."

"But then almost anything new is criticized. I believe even St. Paul's Cathedral came under attack when it was first built . . ."

Congratulations to Victoria entertainer Reg Stofer. He has been called to New York to tape two shows for the famous Ted Mack Amateur Hour.

Mrs. Fern Irvine of Brentwood received her first Christmas card Saturday—a snow scene from Alberta.

She reciprocated by sending her Prairie friends pictures of an apple tree in her garden which is now growing new green leaves and one of a raspberry shrub in fruit.

Major A. W. Walker of Victoria will end 32 years of surveying for the Canadian army and the nation when he retires this month.

An officer in the Royal Canadian Engineers, he has been employed with the army survey establishment and is responsible for special projects.

During six years of overseas service in the Second World War he was a topographical surveyor. After the war he served in the Yukon Territories on loan to the department of mines and resources.

Residents of Kiwanis Villa are to be commended on their initiative. They needed a piano to help fill the long winter evenings.

He is now in New Zealand. Mail should be sent to Mrs. Al Forbes, PO Box No. 1, Cobble Hill, where it will be forwarded.

"What's that, Dad?" asked a four-year-old girl when her father pulled out a strange-looking pen that writes with liquid ink.

He told her it was a fountain pen, but daughter seemed sceptical.

"Where's the fountain?" she asked.

One of Victoria's few remaining survivors of the old Canadian North-West Mounted Police (now the RCMP) is Col. Christian Junget, a permanent resident at the Empress Hotel.

Col. Junget joined the North-West Mounted in Regina in 1899 and served the force for 38 years. He is also a Rotarian of 35 years' standing.

A younger permanent guest at the Empress is John Graves, who retired from Canadian Pacific's purchasing department in Vancouver in 1959.

All the islanders over 21, living at a former air force base near here since they were evacuated last year, voted on the issue of returning or staying in Britain in a secret ballot Sunday.

An advance party of 12 islanders went home via South Africa in August to repair

'A LIVING HELL'

Tibet Turned Into Armed Camp

By RUKMINI DEVI

BOMBAY (CP)—Tibet, home-land of the exiled Dalai Lama, apparently is bearing the brunt of Red China's war-like moves against India.

Reliable reports reaching here say Peking has turned Tibet into a massive military and economic arsenal. The preparations began about the summer of 1960 and, despite the cease-fire declared by the Chinese, the mobilization on the other side of the Himalayas is expected to continue.

Lal Bahadur Shastri, India's minister for home affairs, said he believes China's aim is "conquest of all Asia." Dr. Ram Mohan Lal and Hari Vishnu Kamath, Socialist opposition leaders, think that unless the Chinese are forced out of Tibet there will be "eternal danger to India and the rest of Asia."

Reports reaching the border areas say the Chinese have moved into Tibet at a minimum of 20 divisions, of which some 15 are deployed in the fighting areas. In addition, some 200,000 Chinese "soldiers-peasants" have been settled in key border areas.

EVACUATE VILLAGES

Scores of Tibetan villages have been evacuated by the Chinese authorities. The population has been pressed into labor gangs for building military roads and other projects. Refugees describe Tibet as "a living hell."

Rev. Gagan Sonam, president of the Ladakh Buddhist Association and for 18 months a Chinese prisoner in Lhasa, now has arrived with first-hand accounts of what Peking is doing to the civilian population of Tibet.

'Open Attack' By Russia On Chinese

ROME (UPI)—Soviet Com-
munist party secretary Fro-
lik Kozlov publicly criticized Com-
munist China today for its
"adventuristic position" in the
Sino-Indian border conflict.

Without mentioning the
Chinese by name, Kozlov, a mem-
ber of the party's ruling presidium, told the 10th congress of the powerful Italian Communist party in a rare

speech.

Those who are certain of
their historic future have no
need to play with thermo-
nuclear fire and endanger all
the achievements of civilization."

Attacking the Chinese party
line that war with the West is
inevitable, Kozlov said this is
"an adventuristic position
which has nothing to do with
Marxism."

Delegates to the session of
the Western world's biggest
Communist party broke into
stormy applause. But the Chi-
nese representatives remained
silent.

Nobody Lives There; Everybody Wants It

NEW DELHI (AP)—At the
heart of the India-China border
conflict is a place where
nobody lives. Because nobody
has ever lived there, historians
are vague on who owns it.

The place: eastern Ladakh,
highest and bleakest terrain
in the world.

Both India and China claim
it. Communist China was
willing to fight for it. On Oct.
20, it launched an all-out off-
ensive against India to secure
its claim.

KILLER**

KINGSTON, Ont. (CP)—A
Queen's University student was
killed and another injured Sat-
urday night when a playful
football-like tackle sent the
pair over a stairwell railing to
the floor 20 feet below.

William George Allan, 22, of
Kingston, a fourth-year arts
student, was killed and Douglas
Gardner, 20, of North Bay,
Ont., a second-year arts student,
is in hospital.

Friends said the youths went
to a downtown apartment to
borrow books with Alexander
Ferguson, Alain Duncan and
Andrew Hay, all of Kingston,
when the accident occurred.

The apartment is occupied by
two girls, who were not at
home.

Police said that as the stu-
dents were leaving the building,
Gardner was knocked over the
railing and Allan grabbed him.

The two slid over and fell to
the floor below.

Gardner was taken to King-
ston General Hospital where
his condition was described as
satisfactory.

'K Doesn't Want War'

SOCIALISTS MAY JOIN ADENAUER

BALTIMORE, Md. (AP)—U Thant, United Nations secretary-general, said Sunday he believes Soviet Premier Khrushchev does not want war but that "the West does not seem to appreciate the full significance" of this advance from Stalinism. He called for "give-and-take on both sides."

That dealt with East-West relations and the United Nations in a George Huntington Williams memorial lecture at Johns Hopkins University.

He said in his prepared lecture:

"In the late '40s and early '50s the political system—and theories such as the inevitability of war—prevailing in the Soviet Union were increasingly regarded elsewhere as a definite threat to political and economic systems in other parts of the world. In my view the system created and maintained by Stalin was manifestly ruthless and ob-

solute . . ."

Mr. Khrushchev . . . belongs to a different category of leaders, with a coherent philosophy of the world based on the thesis, not of the inevitability of war, but of the imperativeness of competitive co-existence.

We may or may not agree with his philosophy or with his aims, but we have very good reasons to believe that he does not want war.

MISSES SIGNIFICANCE

The arrested man was identified as Paul Conrad, president of the exclusive Bonn Economic and Political Club and also acting consul for Tunisia in the state of North Rhine-Westphalia.

Conrad's arrest is believed to be in connection with an article in news magazine Der Spiegel, September 26, in which Defence Minister Franz-Josef Strauss was accused of irregularities concerning supply contracts for the West German armed forces.

Conrad is the seventh person under arrest on suspicion of treason in connection with the Spiegel affair.

Seventh Man Arrested

KARLSRUHE, West Germany (AP)—The West German federal state prosecutor's office announced Sunday a further arrest on suspicion of treason in connection with the Spiegel affair.

The arrested man was identified as Paul Conrad, president of the exclusive Bonn Economic and Political Club and also acting consul for Tunisia in the state of North Rhine-Westphalia.

Conrad's arrest is believed to be in connection with an article in news magazine Der Spiegel, September 26, in which Defence Minister Franz-Josef Strauss was accused of irregularities concerning supply contracts for the West German armed forces.

Conrad is the seventh person under arrest on suspicion of treason in connection with the Spiegel affair.

Doering, whose party was the coalition junior partner with Adenauer's Christian Democrats until the linkup collapsed two weeks ago, said in a radio interview Defence Minister Franz-Josef Strauss' decision to quit the cabinet did not mean all matters in dispute between the two parties had been settled.

Doering added that the question of Adenauer's retirement was important and a date for it would have to be "clarified."

Succession Crisis Key

BONN (Reuters)—Wolfgang Doering, deputy chairman of the Free Democratic Party, said Sunday confusion over the nomination of a successor to 86-year-old Chancellor Adenauer was really the only reason for the present coalition crisis in the West German government.

Doering, whose party was the coalition junior partner with Adenauer's Christian Democrats until the linkup collapsed two weeks ago, said in a radio interview Defence Minister Franz-Josef Strauss' decision to quit the cabinet did not mean all matters in dispute between the two parties had been settled.

Doering added that the question of Adenauer's retirement was important and a date for it would have to be "clarified."

Both Sides Claim Victories in Yemen

AMMAN, Jordan (Reuters)—Mecca radio said Sunday Yemeni royalist troops had destroyed five armored cars and large quantities of ammunition in a fierce battle with Egyptian troops in Yemen.

The radio, quoting what it called an official statement from the deposed "Imam (king) Al-Badr's command," said the battle took place near Sana'a where the Egyptians, backing the revolutionary Yemeni regime, were on their way to break a royalist siege of the fortress at Sada.

It said Egyptian bombers had "lately resumed their raids on Sada and bombed the region with napalm bombs."

Egyptian President Nasser had ordered the destruction of Yemeni royalist villages as a result of his army's failures in their war crimes," the report added.

CAIRO, Egypt (Reuters)—Cairo radio said Saturday a Jordanian-Saudi Arabian force striking at republican-held Sada in northern Yemen had been ambushed and routed with more than 1,500 casualties.

'DEAD-END KIDS' DRUNKARDS

Farmers Don't Want Moscow's Problems

By GEORGE SYVERTSEN

MOSCOW (AP)—Life down on the collective farm just hasn't been the same since Soviet courts started shipping juvenile delinquents out of the big cities to work with the peasants.

Exasperated Ukrainian kolkhozniks (collective farmers) are telling authorities to quit sending problem少年们—they have enough of their own.

The country folks' case against the government's program for "re-educating" young idlers who won't work was presented in the Kiev newspaper *Pravda* of the Ukraine.

"This is re-educating idlers," the newspaper demanded in an article exposing the hijinks of the Soviet dead end kids among their country cousins.

It cited the Makstroy state farm near Donetsk.

Valentin Donskoy, chairman of the state farm, said he and his farmers got a shipment of idlers last year and, at first, everything went all right, soon things began getting worse.

GO ON BENDERS

"The worst of it is the drunkenness," he told an interviewer. "especially on paydays—then they drink for three or four days. They don't go out to work until they drink up everything."

Donskoy and his assistants decided to quit selling vodka at the state farm store. That same evening, all the "special settlers" were drunk as usual.

Bassett Drops Out

TORONTO (CP)—John Bassett, publisher of The Telegram and unsuccessful Progressive Conservative candidate in Toronto Spadina in the June 18 federal election, says he will not contest the next federal election. Mr. Bassett, president of CFTO-TV, told the Spadina Conservative Association Friday night it should pick another candidate quickly to try for the seat won by Liberal Perry Ryan.

"It turned out the special settlers had hung one on with cheap Eau de Cologne," he explained. "The storekeeper couldn't keep up with the demand. He fulfilled his plan for the sale of Eau de Cologne for the next 10 years."

The fog stranded hundreds of Grey Cup football fans in the city. With aircraft grounded, both railways reported a booming business as fans cancelled plane ticket and caught trains both east and west.

The freak condition, from Windsor to Kingston and as far north as Peterborough, was blamed for hundreds of property damage car accidents and for bringing ship traffic through the Welland Canal to a near standstill.

United Nations, N.Y. (AP)—Britain last week dropped its opposition to the use of economic pressure to bring Katanga province back into the Congo. The statement bolstered Secretary-General U Thant's efforts to carry through his Aug. 20 plan for Congo reunification, which provides for economic measures if necessary to force Katanga President Moise Tshombe to end the secession of his province.

Woman Nearly Itches To Death

DAMASCUS (Reuters)—Communist China has officially offered Syria financial and economic aid. Syrian Prime Minister Khaled Al Azem told reporters here today. After a one-hour meeting with Chinese Ambassador Hsu Yi-hsun, who made the offer, Al Azem said a Syrian delegation would go to Peking to confer on the aid program.

China to Aid Syria

"I nearly itched to death 2½ years. Then I found a new wonder creme. Now I'm happy," writes Mrs. P. Ramsay of L.A., Calif.

Here's blessed relief from normal itch, chafing, rash and eczema with an amazing new scientific formula called LANACANE. This non-stinging, non-oily cream kills bacterial germs which sooth raw, irritated and inflamed tissue. Stops scratching—soothes healing. Don't suffer! Get LANACANE at drugstores.

Reassessment in Russia

A S IT RE-ASSESSES ITS power throughout the world Russia is also re-assessing its economic system at home. These problems are, of course, interdependent. For the attempt to expand Russian power abroad is a stupendous drain on the economic system. Mr. Khrushchev's people cannot eat his atomic missiles. The same is equally true of military expenditures in the West.

That the Russian economic system is not performing as well as the government had hoped is clearly indicated by a re-organization of the state planning apparatus, under a new boss, Mr. Veniamin Dymshits, apparently an able Jewish econo-

mus. Moreover, Russia has begun to cut back its foreign aid and keep more goods for its own consumers. A program of austerity, as The New York Times correspondent in Moscow calls it, is under way simply because Russia has undertaken to do somewhat more than its productive apparatus can support.

According to the modern Communist theory—which is not Marx's theory by any means—an economic system planned from the centre, every detail arranged in advance, every man and pound of materials in place, must inevitably be more efficient than a free enterprise system which is always making mistakes. But things are not working out that way in Russia, despite its great economic achievements. Somehow all the gears fail to mesh.

Thus with his preachers and his personal drive, Mr. Khrushchev has been unable to keep agricultural production abreast of a rapid population growth. In the Western industrial nations, on the other hand, the problem is a surplus of food-stuffs. The free farmer of the United States, for example, continually produces more and more even when his total acreage is curtailed.

Hence the evident reduction of Russia's exports of farm machinery, food and consumer goods to both Communist allies and neutral nations. As The New York Times

correspondent observes, aside from economic considerations the decrease in new foreign aid commitments may reflect political disappointments.

There is little evidence to show that the recipients of Russian aid among the neutrals have substantially altered their policies out of gratitude to their benefactor. Egypt and Iraq, for example, are receiving large measures of aid but they repress local Communists despite the Russian government's undisguised resentment. India has been granted huge Russian loans and gifts but is at war with Russia's chief ally, Mr. Khrushchev is learning the lesson learned long ago by American presidents—that political strings cannot be securely attached to foreign gifts.

Russia could instantly relieve the pressure on its resources if it cut down its military spending but of this there is no sign. Indeed, the state's decision not to increase investment in agriculture, housing and consumer industries seems to indicate that military spending may be increased. Hence the reduction in foreign aid commitments so that Russian consumers can have as much as possible of the available goods.

All this, in economic terms, is the wildest sort of nonsense. Not only Russia but all the industrial nations of the West are squandering on weapons the materials and manpower that could be used to produce consumable goods and the strain is constantly increasing. Even the United States, the world's richest nation, feels that strain as it suffers repeated foreign exchange deficits solely because its military and foreign aid expenditures abroad cancel out a favorable commodity trade balance.

These unnatural burdens on man's wealth—guns instead of butter—are inevitable so long as the great powers do not trust one another. Perhaps, however, there is a ray of hope in Russia's present economic troubles. They may at last make Mr. Khrushchev really interested in disarmament.

13th Man at the Wheel

THE CANADIAN HIGHWAY Safety Council opened its "Safe Driving Week" Saturday with an interesting statement from the executive director.

"Of Canada's 6,500,000 licenced motorists," he said, "we estimate less than 500,000 are involved in accidents or law infractions each year. These are the people we must convert and convince."

One driver in every thirteen is a menace to life, limb and property. While certain motorists are accident prone, this does not mean that the dangerous thirteenth is always the same person.

During the course of "Safe Driving Week" it might be well for everyone operating a car to consider the possibility that he could be the evil figure in the statistics. He can

guard against the carelessness that might make him the unlucky number by observing well-publicized safeguards—the most important of which is genuine road courtesy.

That, by our local record in recent months, is sadly lacking. In the region south of the Malahat we have been piling up a grim total that is a disgrace to the community—mainly because too many of our people are not driving prudently.

The close observation of safety practices during a special seven-day period is not, of course, going to do very much to reduce the year-round toll. It does, however, encourage drivers to note and learn safe-driving practices which should be habitual and which can be effective in cutting down the slaughter on the highway.

'The Sixth Column'

WHEN GENERALISIMO Franco was pressing his attack against the capital in Spain's civil war, one of his leaders, General Emilio Mola stated "I have four columns moving against Madrid, and a fifth will rise up inside the city itself."

A quarter century ago a new term was born—the fifth column, the subversives, the espionage groups, the saboteurs working from within.

Now another has been added. Reviewers are discussing "The Sixth Column," Roger Burlingame's book attacking a dangerous attitude of mind and intolerant practice in western society.

Mr. Burlingame confines himself to the problem as it affects the United States. As reviewer Courtney Skeldon sees it, Mr. Burlingame considers the "sixth column" a proper name "for those who are so fearful, unstable, uninformed, or malicious that they unjustly accuse

those of differing political beliefs of being fifth columnists or at least fellow travellers."

Mr. Burlingame, says Mr. Sheldon, has high hopes that the public someday will agree with him that the long-run danger to the country is, as a practical matter, greater from the sixth column than from the saboteurs.

Who are the identifiable "sixth column" members? As the author sees it, they are the McCarthyites, the promoters of "red scares," certain elements among the John Birchites, the American Legion and some Congressional investigating committees. Sometimes these groups act with good intentions, but when they overstep due process of law they create a danger which cannot be ignored.

Fair-minded people, at home and abroad, will not judge American society solely on the basis of "The Sixth Column." They will note with approval, however, the book's sharp cry against injustice.

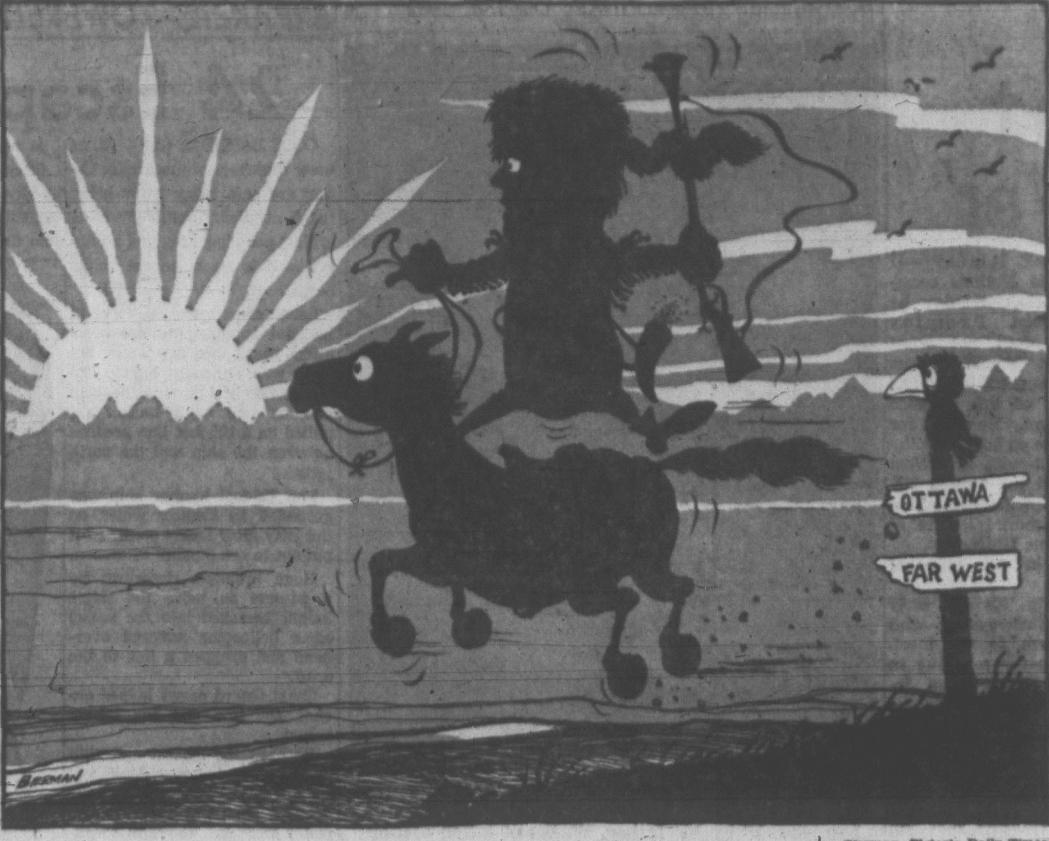

Mood Indigo

ONE OF THE MORE BIZARRE temperance proposals emerging from an Edmonton seminar on alcoholism the other day advocated the addition of a chemical to liquor which would turn the drinker blue after the third drink.

This is a novel switch. The cele-

brant would not paint the town. He'd just be painted himself.

The suggestion is probably quite as good as the invitation thrown out at the bibulous party, to "stick around and get a red nose," but look what it would do to traditional music: Farewell "Sweet Adeline." Bring on the "Birth of the Blues."

Bierman, Victoria Daily Times.

BEHIND THE EIGHT BALL

Another Social Revolution in the Making

AMONG the major issues of the day,

right up in the headlines along with

Cuba, India, Berlin, amalgamation and

teen-age drinking, is

the pressing matter of

allowing women in

pool rooms. Of course

they won't call them

pool rooms; the new

term is billiard parlors.

Many a blue-jawed post-graduate

student at Kelly's Billiard Academy will

turn even bluer at the

thought of admitting

females, and purple at the thought

of what the feminine influence might

do to the appearance of his favorite

handout.

The heavy billiard tables, their green

tops and cushions preserved with reverent care, their massive walnut frames

only a little scorched by cigar-butt

burns, and the bank of brilliant lights

hanging low over the playing surface

to illuminate the drifting clouds of blue

grey smoke—these somehow do not

seem the setting for bright dresses,

bouffant hairdos, and bejeweled decolletages leaning over the corner pocket.

Still less imaginable a framework

for graceful feminine figures are the

dim recesses of the parlor, the odd

battered chair or table, the plank bleach-

ers, and the battered brass receptacles

honored both by tradition and well-

used aim.

But even one can stretch the

mental picture to include these extreme

contrasts—akin to the sight of a peacock in a junkyard—where will women

fit in with the institution of the back

room?

Yes, the back room, whose door

opens only now and then for an instant

to reveal a smoke-filled chamber, dim

except for a brightly lighted round table-

top with an encirclement of shirt-sleeved

arms and intent faces. The denizens, of

course, are the real devotees of the

establishment. Like the folk who join

billiard clubs to play Snap, Old Maid,

or some other interesting game of odds

and demanding skill and application.

Will the co-eds of billiard academies

attend such esoteric seminars? Just

where will this invasion stop?

All this, of course, presents only one

side of the picture. It may well be—in

fact it is almost inevitable—that the

seldom-ever underestimated power of

women will effect changes in the scene.

The pool hall of the future may become

a billiard parlor to behold.

See now the pastel-tinted walls of

the room, lighted tastefully with floor

lamps; the divans and easy chairs that

form pleasant enclaves around the

perimeter of the room, and the rich

window drapes that harmonize charm-

ingly with the deep pile of the wall-

to-wall carpeting.

Is this to be the billiard parlor of

the future? And if so, in what corner

of it will Kelly and his boys find a

refuge? You need study the implications

of this threatened revolution for

only a moment to see why it ranks

right up there with Cuba, Berlin and

the smoke nuisance.

Colic In Infants

According to Dr. F. Michael Smith, Jr., of Thibodaux, La., in many cases a child who is supposed to have colic really doesn't have it; the doctor doubts if colic, as a cause of crying, is as common as it is supposed to be.

In his experience, it is generally the anxious mother with her first child who has the most trouble with a "colicky" baby; and he suspects that often this is due to the fact that she gets too frightened and nervous, and upset about the child's crying.

As Dr. Smith says, an experienced mother of several children can often distinguish between different types of crying: the cry of hunger, the "cranky" cry, the angry or temper cry, the cry of bearable discomfort, the lonesome cry, or the cry due to pain. Naturally, a mother can learn to distinguish these cries only with time and experience.

The fact remains, however, that certain babies are "good babies" who rarely cry, and they rarely get their parents up at night. Other babies, for six weeks or so, will keep crying loudly for hours at a time.

As Dr. Smith says, one common cause for their distress is food allergy. To test for this, he puts the child on a food that is seldom a cause for allergy—such as goat's milk or a soybean formula. Perhaps some children would not cry so much if their formula was better suited to them.

Dr. Smith thinks that nowadays parents are likely to give the child solid food too quickly, in the first few weeks of life, and this can cause trouble. Another cause of crying is that the baby must be fed only at regular times; perhaps it would be better to feed the child, as primitive peoples do, whenever he gets hungry.

People write to ask me if they should be worried when they wake some morning with a blood-shot eye. The answer is that they should be concerned, especially if they have a particularly high blood pressure, or if they have had trouble with their kidneys or "fragility" of their arteries.

They would do well to see an eye specialist and an internist. Often, with a few tests, such as measurements of the amount of blood urea—one of the end-products of the digestion of proteins (meat, fish, chicken and egg)—the doctor can say whether there is a failure of function in the kidneys. Obviously, the blood pressure should be measured. There are tests for the fragility of small arteries.

Usually, I think, a hemorrhage into the outside of the eye is not followed by any serious consequence, and the doctor may never be able to say just why a little blood vessel broke open.

Alpines Need Deluge Protection

So many borderline plants are grown here that some are bound to need a little protection in even the mildest of winters.

There are certain alpine plants for instance which will do very well in our mild winters providing they are not subjected to deluges of water on their heads.

A clever alpinist will arrange them in vertical rock cracks with enough protruding rock overhead to keep them reasonably dry during winter.

Hilda

Others arrange a piece of glass over head held by wire thrust into the soil, tilting the glass to shed rain away from the roots.

A lovely little plant named ramonda is one which repays this kind of treatment. Hardy to frost but not to soaking rains, this outdoor relative of the African violet, ramonda also seeks a place in the shade.

A different kind of shelter abundantly with winter bloom is needed by the Christmas roses (*Helleborus niger*, the black hellebore, so called for its use in black magic in medieval times). The hellebores will take sun in winter and withstand cold and rain, but they develop and flower most abundantly if their leaves are not subjected to buffeting winds which reduce them to tatters and render them use less for food production.

The ideal windbreak for any plant is a screen of shrubs or trees nearby, for they break up the wind ideally and allow moving air to trickle through and thus prevent dead air pockets.

Where living windbreaks are not yet large enough to be useful, an ingenious gardener will devise a screen of evergreen branches stuck into the ground to keep the full force of winter winds from the hellebores.

A double thickness of loosely-woven sacking stretched between two stout stakes makes a temporary screen in an emergency but adds nothing to the beauty of the garden.

A choice plant which repays

**Tourist
Problems
To Be Probed**

Hotel, motel and restaurant owners from all over Vancouver Island will sit down together at the Empress Hotel, December 12, to try and solve some common problems.

The day-long convention will likely result in an organization that will represent all businesses engaged in the tourist industry on Vancouver Island.

Its first task will be to prepare a combination tourist's guide and publicity booklet. The publication will give equal size listings to all hotels, motels and tourist facilities.

Ken King, of the Douglas Hotel, who will be chairman of the meeting, hopes the organization will eventually become the spokesman for the tourist industry on the Island.

**Film Shows
Some Oddities
Of Australia**

Flying foxes, boiling lakes and life on some palm-studded tropical islands off Australia's Great Barrier reef are among some of the highlights of a new film taken by Wilmer H. Gold of Youbou, well-known Vancouver Island wildlife photographer and lecturer.

Entitled "A Search for Adventure in Australia and New Zealand," the film will be shown at Langham Court Theatre, 805 Langham Court, every night this week, starting this evening at 8.

The 61-year-old Victoria-born photographer will also show a portion of an older film entitled "A Search for Adventure on Vancouver Island," depicting the wildlife, scenery and native culture on the Island.

**Peterson Investigates
Advertising for 'Scabs'**

Labor Minister Leslie Peterson will investigate charges that Vancouver employers have been advertising for "scabs".

Vancouver Labor Council secretary Paddy Neale made the charges in a letter.

Mr. Neale said employers have advertised for jobs without stating they were involved in strikes at the time.

SALAZAR
cabinet shifts

**Portugal
Tightens Grip
On Angola**

LISBON (Reuters) — Premier Antonio Salazar has made major changes in the Portuguese cabinet believed to reflect an improvement in the military situation in troubled Angola, it was announced early today.

In the most important change, Salazar gave up his post as defence minister. Five other new cabinet ministers were appointed.

The new defence minister is Gen. Manuel Gomes de Araujo, present chief of the armed forces general staff, a post usually well-informed sources expect will go to Gen. Luis da Camara Pina.

Salazar, 73, who has been premier since 1932, took over the defence ministry in April, 1961, saying the reason for the move was summed up in the word "Angola."

Portugal was then facing a critical uprising by African nationalists in the African territory. Since then the Portuguese situation there has apparently improved and Salazar felt able to relinquish the post.

LAYOFFS NOT EXTENSIVE

**Employment Lower
Due to Foul Weather**

Foul weather has slowed employment conditions in Greater Victoria only slightly, according to the weekly National Employment Service bulletin.

"In an average year there would have been extensive lay-offs from the logging industry and from many construction jobs during such weather conditions" during November, Victoria manager George Bevis said.

Demand for production has been high enough that firms are making every effort to continue uninterrupted, Mr. Bevis said.

Unions report certain jobs requiring tradesmen have slowed down due to wet conditions, preventing workmen from pouring concrete, for example.

In the shipyards, level of work in stages of completion is such that fewer men are needed in some trades. About 38 carpenters engaged in finishing work were listed as jobless by Victoria Local 1598 of the carpenters' union.

Some construction projects have seen heavy machinery confined in mud, the service reports.

He said it was a violation of the Deceived Workmen Act.

Mr. Peterson said he will investigate.

But he was cool to another suggestion by Mr. Neale, for "scab labor".

"Even in the Socialist province of Saskatchewan such a law doesn't exist," he said.

Plans are under way for a final wing to house another 25 people and to add a full-scale dining room and kitchen at Kiwanis Village. The present building houses 50 persons; and is using a temporary kitchen and dining room. Public support is urgently needed. We appeal to you to be generous during our Porchlight campaign for funds.

This comfortable, happy home for elderly citizens is gradually nearing completion, thanks to the generosity of our community.

Your continued support will help speed its necessary final construction.

SOLUTION WEDNESDAY

IT HAPPENED LAST NIGHT

By EARL WILSON

NEW YORK — "I have a theory," said the Bad Boy of Broadway, Producer David Merrick, "that John Wilkes Booth wasn't aiming at Lincoln when he shot him."

"He was aiming at the leading man. Being an actor himself, he was jealous of him."

Merrick, with four shows now on B'way and "Olives" coming up, is again headed for controversy and it won't find him unprepared. Having a cold one night recently in the Hotel Gotham bar, he said he felt confident that the "Oliver Twist" musical will not offend New York audiences.

"It's been reported," the reporter said, "that Producer Kermit Bloomgarden walked out of the theatre in London while seeing 'Oliver'?"

"I think he walked out because I had the rights to it," smiled the mustached ex-lawyer. "What would be a better thing for a competing producer to do?"

With the same freedom with which he discussed his ex-friend Jackie Gleason, Merrick said, "The only producer I don't get along with is Bloomgarden."

A woman called him a few days ago, Merrick said, and asked if he'd try to save "Nowhere To Go But Up," which was Bloomgarden's.

"I told her no, and that I was sorry she'd invested with the wrong producers, she said, 'Can I invest in one of your shows?'

"I told her, 'I have my own group of backers, but if I have three flops, I'll be looking for a new group.'"

ENJOYS TROUBLES

Merrick, in this writer's opinion, is kidding in most of the controversies he gets into, and enjoying the trouble he stirs up. But he was serious about trying out "Oliver" in San Francisco and Los Angeles, and getting B'nai Brith and other Jewish groups to approve of the way it's interpreted, before bringing it to Broadway.

EARL'S PEARLS:

Anybody who says "you can't take it with you" has never seen a car packed for a vacation trip.

The "Sodom and Gomorrah" film has a \$7 million budget, and Jack E. Leonard snapped,

BOMBERS WIN WEIRDEST GREY CUP

★★★
This Team
Lives on
Emotion'

TORONTO (CP) — As uproarious as their immediate celebration was, Sunday evening was quiet for Winnipeg Blue Bombers, who held on to a one-point lead for nearly 24 hours to defeat Hamilton Tiger-Cats 28-27 for the Canadian Football championship.

Though coach Bud Grant was elated after the game, his greatest praise for the team came in the interim while waiting for the final session to be played.

Saturday night, in the quiet of his hotel room, Grant said: "Even if they win, it won't mean much to Hamilton."

"This is the grittiest team I've ever been associated with. There are lots of teams, even in the Western Conference, technically better than we are, but none are as great."

"HARDLY A DRY EYE"

"This team lives on emotion."

"Before every game, I leave them alone in the dressing room for a few minutes and they get down on their knees and pray, a different player leading the prayer before each game."

"When I let them out of the dressing room today Saturday, there was hardly a dry eye among them. They'd get themselves up for the games."

After the finish Grant said: "We knew we didn't have much left. We just went out to contain their short passes and ground game."

"From our position on the field we figured to hold them in."

"If it had gone into overtime, we'd never have made it."

"DELETE WALLOP, WHOMP!"

As he was being carted away by an unscheduled shower by his players, line coach John Michels shouted, "I have no comment; but they'll have to take the words wallop and whomp out of the dictionary now."

Hamilton coach Jim Trimble said before the game his team would "wallop and whomp the team from the West."

The dressing room was a maelstrom of noise as Grant patrolled it shaking his players' hands.

In the Hamilton dressing room, a subdued Jim Trimble said it was penalties, not overconfidence, that beat his team.

The crusher, he said, was a noscary penalty called against Hamilton tacklers about midway through the 9½-minute final chapter of the game Sunday when Winnipeg punt receiver Ron Latourelle lured them within the restricted five-yard safety zone, then dived on the ball.

The resulting 15-yard penalty gave Bombers the ball on their own 46-yard line, rather than their 31.

"We contained them, threw them for a loss on the next two plays and forced them to kick," Trimble said. "It's conceivable that without that penalty we would have taken over the ball at midfield, rather than deep in our own end, and had a chance to score."

Vince Scott seemed to typify the Ticats' frustration as he sat before his locker, sweat glistening on his bald head and dripping from his bent nose.

"SHOULD HAVE WON"

"This was one we should have won" said the survivor of six Grey Cup finals. "I'm not saying the officials were wrong, but we seemed to get hit with penalties—seemed to do something wrong—just at the crucial time."

On the other side of the room, place-kicker Don Sutherland, whose two missed convert attempts were the scoreboard difference between victory and defeat, sat staring disconsolately at his offending toe. He stayed there, fully dressed even to orange helmet No. 22, for a long time, then wordlessly undressed and fled to the showers.

SOUTHERN CAL CLINCHES

Football in the west came of hastily accepted. Alabama crushed Auburn 38-0, will meet Oklahoma in the Orange Bowl.

Southern California, ranked first in the nation, apparently nailed the title down Saturday by whipping Notre Dame 25-0. It was the Trojans' first perfect season in 30 years.

Victory put the Trojans in the Rose Bowl against Wisconsin.

Alabama and Mississippi posted important victories, leading to Bowl invitations. Roger Staubach.

BALLET EFFECT AS TICATS BATTLE TO AVOID DEFEAT

Burly football players appear to be performing outdoor ballet but this is actually desperate Tiger-Cats giving it "old college try" in attempt to avoid defeat in Sunday's windup to national football final. Ticats are charging in attempt to block punt just

slammed over their heads by Winnipeg's Jack Delveaux. Charging Cats in picture are Ralph Goldston (21), Sam Fernandez (25), and Dick Easterly (20). Blue Bombers carved out 28-27 victory in two-day Grey Cup classic. (AP Wirephotos).

MOST OUTSTANDING? HALFBACK LEO LEWIS

TORONTO (CP) — Halfback Leo Lewis of Winnipeg Blue Bombers was named the outstanding player of the 1962 Grey Cup game by football reporters Sunday after the Bombers defeated Hamilton Tiger-Cats 28-27.

Lewis, 29, veteran of seven years with the Bombers, scored two touchdowns, passed for a third and carried the brunt of the Winnipeg ground attack because of injuries to his teammates.

The animal husbandry graduate of Lincoln College was elected by a close margin over Hamilton halfback Garney Henley, who also scored two touchdowns and piled up the game's leading totals in yardage gained rushing and in pass-receiving.

I'm Sorry . . . Who Are You?

TORONTO (CP) — Fame is a fleeting thing for his players, line coach John Michels shouted. "I have no comment; but they'll have to take the words wallop and whomp out of the dictionary now."

Hamilton coach Jim Trimble said before the game his team would "wallop and whomp the team from the West."

so was most everything else here so many visitors went to bed early to recover from Saturday night's activities.

The Bombers, celebrating their second consecutive national championship, remained here overnight and they were among the few who appeared to be in a partying mood.

It's bad enough when you can't see the players, the field or the markers—but when the scoreboard disappears, that's the last straw.

The hardy football fans in the upper seats lost all contact with the first chapter of the Grey Cup Saturday.

The grandstand on the opposite side of the field was the first thing to disappear as heavy fog settled down on the Canadian National Exhibition Stadium.

Then fans could see only a portion of the field.

Next the players disappeared.

But the fans, by watching the markers on the sidelines, could tell where the play was. They didn't know who had the ball, mind you, but they knew Winnipeg Blue Bombers and Hamilton Tiger-Cats were out there somewhere.

Then the markers disappeared. Still the fans were not beaten.

They watched the lighted scoreboard.

Then the scoreboard disappeared.

"Only one thing left to do," yelled a Winnipeg fan who stood to face the crowd behind him. "Let's get down to some serious drinking."

Rudy Knows Hottest Hawk Is 'Little Guy' Stan Mikita

By The Canadian Press

Chicago coach Rudy Pilous doesn't hesitate to name the player who has led his Black Hawks' surge into first place in the National Hockey League standings.

"Our sparkplug," he said Saturday night, "is a little guy named Stan Mikita."

"He's the hardest competitor in the league and one of the smoothest play makers. He's only 22, but he plays with the maturity of a man of 30."

Mikita's four-assists performance during the weekend—as Chicago lost to Montreal Canadiens 4-1 Saturday night and won 5-1 over New York Rangers—shot him into the league's scoring leadership with 24 points, one more than Rangers' Andy Bathgate.

Mikita missed the first six of Chicago's 24 games to date, due to an ankle injury which still bothers him. When he came back, Hawks were tied for fourth place and had managed only one win.

With Mikita sparking the Hawks in their last 18 games, they won 10, tied four and lost four to dislodge Detroit Red Wings from the standings leadership.

MOVE INTO LEAD
Hawks' win over Rangers shot them into first place as Red Wings lost a 3-1 decision to Toronto Maple Leafs.

Hawks have 28 points, two more than Detroit, Montreal and Toronto, all deadlocked in second place with 26 points.

Halter's Ruling Topic of Debate

By WILF GRUSON

TORONTO (CP)—The weirdest Grey Cup final in the 54-year history of Canada's East-West football classic leaves in its fog-shrouded wake a lively controversy over a game that took two days to play.

The defending champion Winnipeg Blue Bombers squeezed out a 28-27 victory over Hamilton Tiger-Cats, finishing the game Sunday nearly 25 hours after it started because dense fog had interrupted it with nine minutes and 29 seconds remaining.

The game resumed from the point where it was ordered halted by football commissioner Sydney Halter, and the final score was 28-27 as Bombers held on to win their fourth Grey Cup from Hamilton in five years.

The fog, swirling in and out of the waterfront Exhibition Stadium all Saturday afternoon, finally cut off all view of the playing field and referee Paul Dojack of Regina told Halter it would be dangerous to go on.

The suspension became topic of debate among football executives,

MAJOR LEAGUES WORK FOR SPEEDUP IN PLAY

NEW YORK (AP) — The National Baseball League has voted in three new rules designed to speed up play.

At the league's annual business meeting, these changes were approved:

A relief pitcher will be permitted only five warm-up pitches instead of eight;

Pitchers must wait their batting turn in the on-deck circle instead of on the bench;

A manager may consult with his pitcher on the mound only once during an inning.

Warren Giles was re-elected league president for a further four-year term. No salary figure was announced.

Reds' Big Jolt Lifts Cowichan

Cowichan, thanks to a jarring upset victory by Oak Bay Reds, has moved back into undisputed possession of first place in the Victoria Rugby Union's first division.

Sharing first place with James Bay heading into the weekend's schedule, Cowichan received a big assist when Reds upset the Oarsmen 3-0 Saturday. The Lakers then moved ahead Sunday by defeating Oak Bay's White squad 14-3.

David Price's penalty goal with three minutes left in the game at Macdonald Park gave the previously-wineless Reds their victory over James Bay.

Late-game heroics also marked Saturday's other first division matches.

John Slade scored a fine try in the dying moments at Naden to give Naval Command a 3-0 decision over Victoria College Norsemen.

And the College Vikings, favored with the wind in their backs for the last half, overcame a 6-0 deficit to edge Royal Roads 8-6 on the Gordon Head campus. Bruce McFarlane and Bob Turner scored tries for Vikings and John Wenzman added a convert.

A 50-yard penalty goal by Brian Broomfield and a field goal by Mel Spotswood accounted for Royal Roads' points. Naval Technical decisioned HMCS Venture 8-3 in a second

Everett Thumps Vikings' Squad

EVERETT (AP) — Everett Junior College downed Victoria College Vikings 84-33 in basketball here Saturday.

Everett controlled the ball throughout and went into the second half leading 41-14.

High scorer in the game was Victoria's Bruce Mitchell, with 19 points.

LOS ANGELES — Raymundo (Batting) Torres, 143, Mexico, defeated Irish Billy Collins, 146, Detroit, 18.

NEW MAN FOR UNITED

Gogie, Kulai In the Middle Of Wild Ending

Victoria United trotted out a new player Sunday, but it was a pair of veterans — speedway forward Gogie Stewart and referee Dan Kulai — who earned all the ruckus in the Pacific Coast

United's new player is Jim Stothard. A Scottish-born member of the RCAF who just recently returned from duty in Germany. Stothard impressed manager Wally Milligan with his performance at outside left Sunday as Victoria battled to a 1-1 tie with Seattle Hungarians.

And there wasn't much of a chance to impress anybody as teams scrambled through a field of mud in Seattle's White City Stadium.

Stothard had been warned by the referee following a minor flare-up at midfield. It was a penalty kick and came 10 minutes after Hungarians counted from a wild scramble.

Sunday's PCSL match in Vancouver, between Columbus and North Shore, ended abruptly four minutes before half-time when referee Kulai called off the game.

While "booking" Stewart, Kulai suddenly turned and pointed to the dressing-room, obviously angered at something Stewart had said.

When Stewart refused to leave, Columbus captain, Graz Franzon, tried to remonstrate with his teammate but Stewart still refused to go.

THAT'S ALL!

Kulai then waved his arms, indicating the game was over, and headed for the dressing room.

On his way, Kulai was attacked by several irate fans, one of whom kicked him from behind. Another swung a number of punches, one of which clipped the referee on the ear.

At the time of the fracas, Columbus was leading the game 1-0 and it was Stewart who had set up the goal, his indirect free kick going straight to Roy Nosella who turned it into the net.

Kulai's report of the incident will go to the B.C. Soccer Commission for a ruling. The Coast League executive also scheduled a meeting for tonight to discuss the affair.

Sunday's pair were the only matches played at the weekend. The Royal City-Pilseners meeting set for Saturday was called off because of poor field conditions.

Pilseners play in Victoria next Saturday.

(Does not include Sunday's match.)

ROYALS NIP CHALLENGE

Cats Stretch Bruins' Slide

New Westminster Royals stomped on Nanaimo's bid to take over first place, but the Pacific Coast Junior Hockey League team with problems is Esquimalt.

Royals stretched their first-place margin to three points with a 6-1 conquest of Nanaimo Sunday at New Westminster while the Bruins were dropping their sixth straight.

Victoria Cougars stopped Bruins 5-1 at Memorial Arena. Nanaimo defeated Esquimalt 8-2 Saturday night.

Although the Bruins look—on paper—better than their record indicates, there's little likelihood of Esquimalt snapping the slide in the next game. Bruins entertain the powerful Royals Tuesday night at the Sports Centre.

TWO FOR HOLNESS

Bob Holness led Victoria's attack with two goals while singles went to Paul Bion, Lionel Duebau and Kris Johnson. Esquimalt's goal, by defenceman Neil Menard, was scored in the first minute of play.

Marty Schaefer scored three goals for Royals while Don Melien added two. Frank Ket-

Hercules, Dolly Record Mat Wins

Hercules Cortez, Dolly Darrell and Mr. "X" emerged victorious in bouts that served as a triple main event at Saturday's professional wrestling card at Memorial Arena.

Cortez defeated Clyde Steeves. Dolly downed Baby Cheryl in a midget women's match, and Mr. "X"'s identity remains a mystery with his victory over San-dor Kovacs.

In other bouts, Dandy Dan Miller won over Mike Valenti, Koenig defeated Bill Wright and Eric Froelich drew with George Gordienko.

Welsh Juniors Blank Touring Canadian Side

CARDIFF, Wales (Reuters) — A hard-working but out-classed touring Canadian rugby team was defeated 8-0 Saturday by the Welsh junior national team.

The Canadian team made good use of their few opportunities to attack but most of the offensive plays came from the Welshmen.

Denied possession of the ball for long periods by the superior play of the Welshmen, the Canadians still managed to cover well in defence and tackled well in midfield.

Golf Event Delayed

Third and final round of the Victoria District Golf Committee's fall monthly medal competition, scheduled Sunday at Victoria Golf Club, was postponed for two weeks because of bad weather.

Dillon Leads Wests to Cup

Victoria West, a team that has yet to score a victory in regular first division play in the Victoria and District Soccer League, holds the Jackson Cup today because they got the man they were looking for.

Wests' "man" was a capable goal-getter.

They acquired former high school speedster Ranjit Dillon and haven't looked back.

Dillon proved his worth again Saturday, scoring four goals as Wests thumped Canadian Scottish 6-1 in the cup final at Royal Athletic Park.

Jerry Booth and Whitey Wakelyn scored Vic West's other goals. Ernie Brown, connecting on a corner kick, spoiled the shutout.

Sunday Gorge Hotel preserved its unbeaten record in league play, getting two goals from Ced Robb in the final 10 minutes of play to defeat Bro-dies 2-1.

Brodes led 1-0 until Robb went to work on a goal by John Larsen, a centre forward re-

cently transferred from Grandview Legion of the Mainland League.

MAC TO DECIDE SOON WHETHER TO RETIRE

LONDON (UPI)—The Daily Mail said today Prime Minister Macmillan will decide soon whether to retire and may step down within the next three months.

The Mail said Macmillan "will privately make known his intentions after Christmas."

"His stature among Tory members of parliament is near its lowest ebb," the newspaper said, referring to his party's poor showing in by-elections this year.

Socialist Finds War Part of Capitalism

War is as much a part of the workers of all nations as buying and selling," said George Jenkins of the Socialist Party of Canada in a public debate in the Orange Hall, Courtney Street, last week.

"Goods must be sold" if a profit is to be realized and markets and trade routes must be sought. This is the basic cause of all modern wars, and reforms under capitalism cannot abolish it."

Mr. Jenkins was debating the issue, "Will the problems of society be solved by reforms?" at a public meeting organized by Victoria branch, Socialist Party of Canada.

He was opposed by former CCF candidate Victor Williams, who argued that social problems could be solved by reforms—and reforms could be achieved by education.

"Wars have been perpetuated by human greed," he said. "They have in fact been perpetuated by the same kind of dogmatism and bigotry that is expressed by extreme socialists."

IN IVORY TOWER

"These socialists are living in a mental ivory tower and waiting for their millennium. Instead of waiting for this millennium they should be striving for better communications across the world."

"We could abolish war if we had better communications be-

Navy Seeks Ship's Silver For New DE

Silverware which once belonged to the first HMCS Saskatchewan is being sought for use in the new ship which will bear that name after her commissioning next February.

The RCN's first Saskatchewan was retired 17 years ago after service throughout the Second World War.

Cmdr. Mark Mayo, commanding officer-designate of the new Saskatchewan, hopes the new destroyer-escort will be able to acquire some of the now-historical silverware.

Among the various wardroom and mess articles carried by the first Saskatchewan were silver trays, bowls, and cigarette-boxes—all received by the ship as gifts at the time of her first commissioning.

It is believed much of the ship's silverware was sold, raffled or auctioned and the proceeds devoted to local charities.

Any information concerning them can be phoned to Lt.-Cmdr. A. R. Henley, executive officer, at EV 5-4421, local 76.

\$50,000 UNCLAIMED

No Takers For Slush Fund

VANCOUVER (CP)—A retired businessman charged with income tax evasion testified Friday a \$50,000 political slush fund lies in trust here with no one claiming it.

Allan S. Gentles said it is the balance of a fund of \$78,000 he administered for a Montreal steel importing firm that had sold rails to the Pacific Great Eastern Railway.

The Crown has charged in magistrate's court the money is income to Gentles as his share of the sale of the British-produced rails by H. M. Long Ltd. of Montreal.

Gentles said the money is in Dominion of Canada bonds. He said he did not own them and does not know who the owner might be.

PAID \$25,000

He said he had made three payments totalling \$25,000 in the last four years, but declined to identify the recipients.

"Perhaps the political parties in this province would be greatly interested?" Magistrate W. H. Brown asked.

"Yes, I think they might," replied Gentles.

Gentles said he refused when H. M. Long asked him in January, 1950, to "assist him in handling some political funds in B.C."

"About three months later in Montreal, he said he would

It will take a week to restore clear water to the Greater Victoria water distribution system—provided the weather men in France four years to weave.

Since heavy rains washed out a flume trestle two weeks ago, water has been supplied from Goldstream rather than Sooke Lake, resulting in a yellowish taint to the water supply.

District water commissioner Ronald Upward said if crews are able to get heavy equipment into the broken flume in the next few days, service will be restored by Friday.

SHARE \$360,588

Victoria Girls Named in Will

Two Victoria girls — Elizabeth, eight, and Jean Violet Savannah, seven — will inherit a large share of the \$360,588 estate of their grandmother, Mrs. Maude Savannah, 89, of 921 Cook Street.

Mrs. Maude Savannah, the widow of a pioneer Victoria photographer, died on April 16, aged 89.

Under the terms of her will, Elizabeth and Jean Savannah will share at 21 the residue of her estate after some \$21,700 in other bequests. Their father, the late Edward J. Savannah, was a professor at Victoria College before his death in 1960.

Elizabeth will also receive a diamond necklace and a watch and Jane will receive the re-

mainder of her grandmother's jewelry.

A niece, Mrs. Paul Pearson of Seattle, receives personal property and the property at 921 Cook Street, valued at \$20,000.

Mrs. Savannah's estate consisted mainly of chemical, steel, mining and other stocks and bonds.

Sclerosis Group Christmas Party Saturday Night

Annual Christmas party of the Victoria and Vancouver Island Multiple Sclerosis Society will be held Saturday evening.

At least 225 patients and members will attend and the turkey dinner will be served by a committee under the chairmanship of Mrs. Lorna Miller.

The Christmas message will be given by Rev. Emily Smillie, after which Santa Claus will appear and distribute presents to everyone.

A musical program will be given by the junior and senior choirs under the direction of Vera Barclay.

The society will sponsor the "Winter Rhapsody" annual presentation of the Vivian Briggs Studio, in Oak Bay Junior High School on Dec. 12 and 13.

"The (SOS) signal was a mistake. I cancelled it almost immediately after it was sent."

But according to wireless and rescue centre logs, the cancellation did not come until 20-30 minutes after the original message at 11:30 a.m., when the steamship was laboring in 16-foot seas in Haro Strait off Oak Bay.

The department of transportation's Gordon Head wireless station said it received a second message:

TUG ON HAND

"SOS — sorry our slipup" about a half hour after the first call. Rescue co-ordination centre in Vancouver — to which all calls are relayed — said the second call came 20 minutes later.

By noon, Island Tug and Barge Ltd.'s Sudbury II was putting out to go to Waihema's side, and subsequently stood by some five hours during which time the ship's problem was solved.

"It was routine storm trouble, that's all. The ship was not damaged," said Capt. Gibson.

Union Steamship Co. of New Zealand Ltd. said their vessel was carrying a small cargo en route from Apia, Samoa, on a regular run to the North Pacific.

BEN BELLA ARRESTS OPPONENT

ALGIERS (AP) — About 200 heavily armed troops of the Algerian national army surrounded government headquarters today.

During the night troops blocked the principal roads into Algiers, and police conducted a search operation in the city.

Official sources declined to explain the action. But it was believed connected with the arrest Sunday of a police divisional commissioner, Omar Harreg. He was accused of being a member of the underground Social Revolution party, which has severely criticized the government of Premier Ahmed Ben Bella.

Printers Back Strike

NEW YORK (AP) — Printers on this city's nine major daily newspapers voted 2,003 to 47 Sunday to authorize their leaders to call a strike any time after midnight Friday.

At least 225 patients and members will attend and the turkey dinner will be served by a committee under the chairmanship of Mrs. Lorna Miller.

The Christmas message will be given by Rev. Emily Smillie, after which Santa Claus will appear and distribute presents to everyone.

A musical program will be given by the junior and senior choirs under the direction of Vera Barclay.

The society will sponsor the "Winter Rhapsody" annual presentation of the Vivian Briggs Studio, in Oak Bay Junior High School on Dec. 12 and 13.

FERRY RUNS CANCELLED AGAIN

Another Week of Storms Forecast; Island Battered by Weekend Winds

Another week of storms with not quite the intensity of last week's winds was forecast today in the wake of a 50-83 miles an hour blow that battered the lower Island Saturday and early Sunday.

Trees toppled, power lines snapped, roofs flew off and windows blew in at scattered points about Greater Victoria

as southeast and southwesterly gales pounded in.

Snow covered the Sooke hills and upper levels this morning.

For the second time in three days B.C. Ferries cancelled service between Nanaimo and Horseshoe Bay and Swartz Bay and Tsawwassen when winds made landing at Tsawwassen terminal hazardous.

The ferries have been using port vessel, one of five ships that stood by as three RCAF and one U.S. Coast Guard aircraft flew the area.

The fishing vessel radioed distress at 1:04 p.m. Saturday, and the signal was received at Sea Island rescue and co-ordination centre.

Skipper was John Peterson, with Nils Stroin, and John Holmen, all of Seattle; and Olov Stave, Milton, Wash., as crew.

REPAIRS DELAYED

Toll Authority general manager Monty Aldous said bad weather has already affected a work schedule of repair,

sinking one rig and driving another ashore, so that more storms could throw off hope of completing the job before Christmas.

The ferry City of Victoria, carrying 60 passengers, 20 cars and a bus, put out at 7 p.m. for Tsawwassen met the City of Vancouver at Active Pass, and turned back as high winds at Tsawwassen would have made landing too dangerous.

Mr. Aldous said he ordered a tow boat to Tsawwassen to aid landing, but the storm prevented the tow boat from reaching the scene.

Service was cancelled until 10 p.m., when the City of Vancouver took the earlier load across as wind-dropped from 60 miles an hour.

It was a hair-raising experience driving along that road," said Mrs. Susie Bird, a Times correspondent who was with the party.

"On several occasions the bus appeared to be in danger of toppling over," Mrs. Bird said.

Two people were blown off their feet by the storm in Victoria, one an elderly woman walking downtown, the other a Saanich man out to inspect a barn that had just lost its roof in the gale.

Police said F. A. Rudd, 78, West Burnside, was taken to hospital and admitted in satisfactory condition.

POWER INTERRUPTED

Power was lost temporarily in Gordon Head, Ardmore, Ten Mile Point and Elk-Beaver Lake districts, but telephone service was hardly affected.

Heavy seas washed over Dallas Road at Ross Bay, sending drift logs crashing to the street, and the stretch of waterfront was closed to traffic.

"The premier of B.C. never mixes in municipal politics, not even in the city of Kelowna, where he has his home."

He said it is for the residents of the municipalities themselves to give leadership on amalgamation.

"It's a question for the people."

He was commenting on reports that if Saanich residents vote for a merger with Victoria, the cabinet would force it through a special order under terms of the Municipal Act.

SHOPPING GUIDE

Don't Be Or Wear a Misfit Ask for Personal Service

By Penny Saver

Personalized service, often a rare commodity in this age of self-service and packaged goods, is still the motto of a men's and ladies' wear shop Penny visited.

The manager said, "For years I have had women coming in here to buy sports jackets for their husbands and all they say for the size is that he is about my build only six inches taller or shorter, and in all that time I have only sold one jacket that didn't fit." Only personal service could make this possible.

To make Christmas shopping easier this store has cards printed with a list of all the sizes you need to know once you are in the shop. Stop by and pick up your card—pink for girls and blue for boys. Fill in the figures in the space allotted for height, weight, chest, waist, shirt, sweaters, shorts, pajamas and many more necessary measurements.

In the men's department there is a full line of sports jackets from \$32.50 to \$45. Slacks are priced between \$15.95 and \$22.95. Pyjamas styled for functional or entertaining wear, come in cotton broadcloth or flannelette, striped, plain or patterned. The prices start at \$5.

Smaller gift items for the man in the house include a sturdy two-in-one clothes brush and shoe horn for \$3.95.

Extra large economy size mugs sell for \$2.95 and \$3.95.

For the women there is a new line of Chinese satin and brocade dresses at the unbelievable price of \$19.95. Skirt features a straight satin skirt with all-around brocade panels.

Matching skirts and sweaters, an all-time favorite, are always a winner.

A new line of washable wool short housecoats, with zipper fronts and tie sash, look as neat and smart as any daytime dress. The price is \$24.95 and the colors are red, blue, beige and shadow green.

If you want to shop where you get personal service phone Penny at 382-3131.

THE BETTER HALF

By Bob Barnes

Honeymoon in States; New Home in Victoria

Mr. and Mrs. Robert James Cameron are now living at 211 Cook Street after spending a honeymoon in Oregon and California.

The bride, Betty Dawn Levi, daughter of Mr. and Mrs. Andrew Thut of Saseenos and Robert James Cameron, son of Mr. and Mrs. Alex G. Cameron, 125 Cadillac Avenue, were married in St. Mark's Anglican Church.

Baskets of fall flowers decorated the church and Rev. Norman Calland came from Abbotsford to officiate at the early November ceremony.

Given in marriage by her father, the bride wore a white satin, brocade ballerina-length gown with three-quarter-length sleeves. Her shoulder-length veil mistled from a lace headpiece topped with peau de soie roses touched with seed pearls. She wore a pearl necklace and earrings, gift of the groom, and carried a bouquet of red roses and white carnations.

Maid of honor, Miss Rosslyn Howard, wore a rust-toned crystal-charm taffeta ballerina-length dress with white accessories. Bridesmaid, Miss Fatsy Smith, wore a contrasting pale green crystal-charm taffeta dress. Both wore matching floral headpieces and carried bouquets of yellow carnations.

The flower girl, Lorena Levi, niece of the bride, wore a gold-toned frock and carried a basket of yellow carnations tied with copper and green ribbon.

Donald Ramsfield was best man. Ushers were Rodney

STUDY POLITICS

MONTREAL (CP) — The city's business men are studying politics this winter to prepare them "for their responsibilities as citizens," says Mrs. L. P. Gravel, president of the women's council of the Montreal Chamber of Commerce. It is hoped the courses will remove "the political ignorance in which woman has been held."

DEAR ABBY . . .

To Each His Own Convictions!

By ABIGAIL VAN BUREN

DEAR ABBY: Please print they have to live with the tattoos forever.

AN MD.

DEAR ABBY: My daughter had a child out of wedlock when she was 16. She married shortly afterwards and her husband adopted the boy. At 18 the boy joined the air force. He was never told that he was illegitimate. Everybody knows but him. I told my daughter to write the chaplain and have him tell the boy. He is a man now and should be told. My daughter refused, and even forbade me to write to my own grandson for fear I might slip and tell him. She has robbed him of his greatest joy, to write to his Granny. We have always been on good terms. I say the boy should be told. I think my daughter is afraid her son will find out she was no angel. What is your opinion?

JULIET.

DEAR JULIET: And what if it doesn't work? You'll have to go hunt up your husband in somebody else's orchard. No thanks. I say tell him you love him, refuse to share him, and if you catch him straying you'll have his scalp!

GRANNY.

DEAR GRANNY: It appears to me that you've never given your daughter and would like to punish her through her son. My advice is to stay out of your daughter's personal relations with themself tattooed when they were out on a spree one night her son.

TODAY'S RECIPE

Holiday Steamed Cake

Two and one-half cups of sifted all-purpose flour, 3 teaspoons baking powder, ½ teaspoon baking soda, 1 teaspoon ground allspice, 1 cup

candied fruits and peels, ¼ cup shortening, 1 cup sugar, 2 eggs, 1 can (10 ounces) condensed tomato soup, 1 cup of chopped walnuts, ½ cup raisins.

French Group

M. Claude Trebil, assistant professor of French in the Department of Romance Languages at the University of British Columbia, will speak at a meeting of the Alliance Francaise on Tuesday at 8 p.m., in the Art Gallery of Greater Victoria. His subject will be "Albert Camus." M. Trebil received a Canada Council grant which enabled him to spend last summer in Paris, where he had invaluable contacts with Mme. A. Camus and with close friends and collaborators of Albert Camus at the Gallimard Publishers. All those interested in the French language may attend.

25% OFF ON CLEANING OF DRAPE

(BETWEEN NOW AND DEC. 15th)

Get your home fresh and bright for Christmas entertainment . . . and give those prized drapes the protection they deserve.

BEAT THE DEADLINE ON DAMAGE . . .

Safeguard against hidden deterioration . . . only checked by regular cleaning

If your drapes are less than a year old, or if you have had them dry-cleaned within that time, then they are alright. Beyond that time they are exposed to damage caused by acid-forming gases found in every home, by action of sunshine and heating systems.

Often this damage is not detected, being hidden under surface dust and soil. When this is removed by dry-cleaning, then acute color fading and material rot may be discernible. To avoid this danger it is recommended that your drapes be cleaned every year. Here at Individual we give your fabrics the best of scientific care . . . but they may be damaged.

Here Are
The Damaging Factors

Direct or indirect rays of the sun • Humidity, Air temperature or concentrated heat from heating equipment • Gases in the atmosphere • Soot, dirt, soil, dust and grime.

Shower Given in Vancouver

A shower for bride-elect Miss Bridget Harper was held recently at the Vancouver home of Mrs. M. Shepherd. Co-hostess was Mrs. M. Richmond of Victoria. A pink and white decorated bride's cake was served after a buffet supper. Guests present, all members of the staff of the B.C. Hydro and Power Authority, were Mrs. E. Falkner, Mrs. P. Lawley and the Misses Mildred Holmes, Jean Currie and Phyl McKay of Victoria, and Mrs. B. Forrest and the Misses Dee Hoyle, Joy King, Margaret Hoggarth, Peggy Chambers and Isabel Fraser of Vancouver.

Miss Harper, whose marriage takes place in Brighton, Ont., on Boxing Day, has also been honored at a shower given by Mrs. Austin Smith at her Richmond Avenue home in Victoria. The bride-to-be received a red carnation corsage and gifts, which were concealed under a red and yellow parasol. Others present were Mrs. M. Richmond, Mrs. W. Ritchie, Mrs. B. Champion, Mrs. S. Harris, Mrs. D. Blevins, Mrs. N. Bell and the Misses Mavis McCahill and Norma Shearer.

Home Again

Miss Margery Hill has returned to her home on Gorge Road after spending a week in Regina, where she conducted a workshop in hand-weaving at the Saskatchewan Festival of the Arts. This was the first festival of arts to be sponsored by the Saskatchewan Arts Board. Saskatchewan is the only province to have such a board.

In Mexico

Dr. and Mrs. Stanley Arven returned to their Westdowne Road home on Sunday from Mexico City, where Dr. Arven was guest speaker at a meeting of the Congress of Allergy and also at a post-graduate seminar which followed. The Arvens

Christmas Carols Sung at Cathedral Bazaar

Guests forgot Saturday's cold winds as they listened to the strains of "Away in a Manger" and other well-known carols at annual Christmas sale and tea, held by Christ Church Cathedral Women's Parish Guild in Memorial Hall. Program was by the Cathedral Boys' Choir, under direction of Richard Proudfit.

To further emphasize the Christmas spirit, colored felt stockings, filled with holly and silvered greenery were used as decor. Decorations were by Miss B. Lucas.

A capacity crowd attended

and sum of \$1,000 was realized. The bazaar was opened by Dean Brian Whitlow and hostesses were Mrs. Whitlow and Mrs. Don Mitchell, guild president. Mrs. J. F. K. English was general convenor.

Novelty stall, convened by Mrs. C. T. Beard and Mrs. J. Stocker, offered a variety of items ranging from candy, Christmas wreaths and mistletoe-centred "kissing rings" to King Alfred cakes.

Mrs. P. M. Robinson had a stall of oil paintings which she had painted and donated to the guild. Proceeds of stall

amounted to more than \$50. Mrs. C. Riach was in charge of tea and serviteurs were Mrs. B. Marriott, Mrs. R. M. Glaceford, Mrs. R. W. Cornish, Mrs. N. Bass and Miss J. G. Thompson. Tea tables were bright with red-berried holly and scarlet candles. Mrs. M. Stubbs convened kitchen arrangements.

Christmas cakes, puddings of publicity.

and mincemeat sold quickly at stall convened by Miss B. Morley.

Other conveners were: Home cooking; Mrs. T. H. Evans; knit goods, Miss K. Jaffray and Miss L. Graham; aprons, Mrs. A. Mayfield; costume jewelry, Mrs. Whitlow, and tickets. Mrs. W. C. Winkel.

Retarded Make Articles for Bazaar and Tea

Annual Christmas tea and sale arranged by the Greater Victoria Association for the Retarded will take place on Wednesday in the Elford Occupation Centre, 1450 Elford Street. All articles on sale

have been made by retarded adults in this community who are, for the first time, experiencing the achievement of productive, creative effort. The Occupation Centre will also be open for the sale of crafts on Thursday and Friday next week from 9 a.m. to 3 p.m. Proceeds from these affairs will go to assist in projects planned to bring partial economic independence to these men and women.

Coffee Party

There were 150 guests when the Women's Auxiliary to the Royal Canadian Navy entertained at a coffee party in the wardroom of HMCS Naden on Saturday morning. They were greeted by Mrs. N. Bryson, president. An honor guest was Mrs. Edward Boydell, whose husband, the late Cmdr. E. A. E. Nixon, began the first

Canadian naval college in Halifax, N.S., in 1910. Other guests included wives of naval reserve, army, air force and Royal Canadian Mounted Police officers.

CLUB WOMEN'S NEWS

Support Project — Victoria Hand Weavers' Guild endorsed plans for the development of Bastion Square as a centre for arts and crafts as presented at their recent meeting by Jack Barradough and Allan Edwards. Mr. Barradough stressed need for a school of music and pointed out that the old Court House would be an ideal building for such a school. Other projects which would include drama and crafts were outlined by Mr. Edwards. It was explained that the project would not be self-supporting for three years and would have to depend on volunteer workers and subscribers. Films were shown depicting handwork of Mexicans, Habitants and Navajo Indians.

Donations — It was decided at recent meeting of the Major John Heben Gillespie Chapter, IODE, that an amount not to exceed \$150 be given to the Victoria University Library for books, donation of \$25 to welfare and \$15 to IODE material fund. Educational Secretary, Mrs. B. D. Mackwood, reported that books had been sent to the adopted school at Alce Lake. Christmas party will be held December 11, at home of Mrs. R. H. Spilsbury, 2995 Uplands Road.

Reports — Mrs. G. Metcalf reported 1,100 parcels packaged at a recent meeting of the Women's Auxiliary to the Royal Jubilee Hospital. Mrs. W. G. Thorpe announced that 3,858 dressings had been made in the past month. It was also reported that sales in the hospital's maternity wing included: Show cases, \$38.20; television rentals, \$94, and photographs, \$173.33. Those wishing to attend the annual dinner on Thursday should phone Mrs. J. C. B. Keane at EV 2-6038, not later than tonight, for reservations.

Exodus to Australia At 'Gold Rush' Level

By HAROLD TILLEY

MELBOURNE (CP) — In 13 years Australia's population will be slightly short of 14,500,000 which is where Canada was a decade ago.

The expected increase banks on there being no major war, maintenance of the immigration program and maintenance also of a steady birthrate.

Most immediate of the growth factors is immigration and immigration minister A. R. Downer has given assurance that Australia will exceed the target of 125,000 this year.

This has surprised many because the impression had been gaining ground that improved living conditions abroad had rubbed off some of the shine attaching to Australia.

MORE BRITONS

A revival of interest in Australia by British migrants is helping the 1962-63 intake.

Downer told a migrant assimilation conference in Melbourne British applications in the four months to October were more than triple the number for the corresponding period in 1961.

London's Daily Sketch carried an article in November saying the exodus from Britain was reaching "gold rush" standards and that "There was a fantastic spasm of desire to get away that was astounding emigration officers."

Officials of Australia House in London were quoted as saying every mail brought floods of applications from people clamoring to get to Australia.

SURPRISING REASON

Some observers are puzzled by the suggestion at the assimilation conference that fear of the effects on the British labor market of Britain's entry into the European Common Market was influencing many Britons.

Most of the published Australian views on the Common Market have implied that loss of traditional markets for Australian exports must mean fewer Australian jobs. From that it was surmised Australia is at present interested in only skilled migrants. Some employers are really worried about a reduced flow of men and women with skills.

Long-range qualms about the Common Market aside, the current short-term outlook right through Australia is markedly buoyant.

It has been argued that what has been going on recently is merely the pre-Christmas boom and that 1963 will tell a different story.

Indications of this are taken from the labor market where there is a surplus of jobs and unions are pressing claims for new wage increases, a shorter work week and other benefits.

On the other hand, manufacturers are spending freely on plant replacement and expansion to produce more goods, conditions in general in the motor industry are improving, building figures are on the rise, instalment finance houses are finding more outlets for their funds and the wool market is strong.

Well-Known Horticulturist Dies Sunday

Knut (K) E. Christiansen, well-known landscape architect and nurseryman, died suddenly in Royal Jubilee Hospital Sunday. He was 65.

An expert on rhododendrons and azaleas, Mr. Christiansen over the past 30 years was responsible for landscaping some of Victoria's best private gardens.

He was president of the Arboretum Society, a member of the Vancouver Island Rock and Alpine Society and the Men's Garden Club of Victoria. He owned one of the best horticultural libraries in the city and was also well known as an art collector.

An authority on bulbous plants, he introduced to British Columbia many rare tulips and daffodils.

He is survived by the widow, Agnes, 3945 Saanich Road, a son, Carl, of Pittsburgh, California; a cousin, Eric Hagen of Victoria; and other relatives in Denmark where he was born.

Funeral services will be held at McCall's Chapel Wednesday, starting at 1:30 p.m.

Waterfront Leases Protested

PORT ALBERNI—Waterfront property at Sproat Lake, which a logging company plans to lease for summer homes, could be used better as a park or campsite, S. J. Squire, MLA for Alberni, has informed the B.C. lands department.

MacMillan Bloedel and Powell River Ltd. last week announced it will make available some land on the Taylor Arm section of the lake for the construction of homes.

"While I appreciate the gesture of the company and the department of lands on opening up this area for homeowner use, I feel that the greater need for the greater number of people is for a campsite from the Tofino Road and would make a wonderful tourist attraction for this area," Mr. Squire said.

DUNCAN—Funeral services were held today in St. Andrew's Anglican Church, Cowichan Station, for Thomas Alfred Dutton, 80, who died at the DVA Hospital, Victoria, Friday. Rev. W. E. Greenhalgh officiated. Cremation followed.

Mr. Dutton had resided on Lane Road, Cowichan Station. During the First World War he was a sub-lieutenant in the R.C.N. He was a member of St. Andrew's Anglican Church.

Predeceased by his wife, Frances, in 1952, he is survived by a daughter, Mrs. F. E. Moger, Washington, D.C.

NANAIMO—A laborers' union delegate was evicted from a special labor council meeting Friday after a stormy exchange of charges.

Delegates to the Nanaimo, Alberni and District Labor Council meeting voted to expel Cliff Webber, for the duration of the meeting, after he accused a council officer of lying.

The trouble started when financial secretary Bud Hanley accused Webber's union of shirking its responsibilities in the labor movement.

DUNCAN—Elizabeth Johanna Falconer died at King's Daughters' Hospital, Friday, in her 79th year.

Born at Jemtland, Sweden, she came to Canada 61 years ago. She had resided at Camrose, Alberta, and for the past 13 years she had lived at Youbou. Mrs. Falconer was an active member of the CCF Club.

Predeceased by her husband, Arthur Charles Falconer, in 1949, she is survived by a son, Arthur C. Falconer, of Victoria; a daughter, Mrs. (Helen) J. P. Miller, Youbou; a sister, Mrs. Christine Wilson, Hay Lake, Alberta; two grandchildren and three great-grandchildren; and an uncle Charles Johnson, Camrose, Alta.

Services will be held in the Hirst Funeral Chapel, Wednesday, at 2 p.m., with Rev. Thomas Bulman officiating, followed by cremation.

NANAIMO—The lack of public interest in civic elections was stressed at a Nanaimo Rotary Club meeting.

Howard Nicholson, city clerk, outlined the steady drop in voting rates over the past 32 years.

"In the '30s the recorded vote was 80 per cent; in 1940 it was 75 per cent; in 1950 it was down to 59 per cent; in 1960 only 48 per cent and last year it had dropped to an all-time low of a mere 39 per cent," he said.

Four Injured In Duncan Crash

DUNCAN—Four persons were taken to King's Daughters' Hospital early Sunday morning following an accident on the Trans-Canada Highway, a mile north of here.

Ralph Jensen of Duncan, driver of one car, and his wife were taken to hospital with broken bones and lacerations. They were released Sunday afternoon.

The other vehicle was occupied by the driver, Francis William Kinnaird, and John Gordon Whitelaw, both of HMCS Fraser, Naden. Following emergency treatment, the men were transferred to Naden hospital.

Hunting Mishap Kills Atom Expert

OWEN SOUND, Ont. (CP)—Dr. Charles Jaquet, 51, of Hamilton, an authority in nuclear medical research, was shot to death Sunday while hunting alone near his summer home at nearby Balmoral Beach.

He was slumped near a fence which police believe he tried to climb over. He had been shot through the chest.

Dr. Jaquet, a specialist in internal medicine, was consultant on nuclear medical problems on Geneva.

Truly - a most travelled rum!

Mr. Lemon Hart's rums travel for a reason. Made in the heart of the West Indies they are then sent to England because the moist airs of England are traditionally the finest in the world for maturing rums. After quiet years in England they are perfectly blended, bottled and shipped to Canada and throughout the world. These expensively brought up rums, full of light-hearted charm and flavour, are happily available to Canadians at home and abroad.

£ FOR £ YOU CAN'T BEAT ANGLIA!

£ for £ or \$ for \$ Anglia speaks a language all its own. In its British homeland, where more little cars are sold than anywhere else in the world, Anglia outsells every other car, regardless of size or make! Reasons? British craftsmanship is the main one. British engineers and designers developed Anglia to be the best car in its class. They did it so well Anglia is in a class by itself. Proof? Style for one thing. From gleaming front grille to raked-back roof, Anglia proves that a little car needn't be homely. Performance is another. In grueling road rallies held around the world Anglia has developed a habit. It consistently scampers home with the winners (to the vast annoyance of bigger, more powerful cars, we might add!) And of course there's economy. If you had to pay the equivalent of 63¢ a gallon you'd soon pick a car that delivered top mileage per gallon. Britons have picked that car. Test drive Anglia and you'll find out why! See your Anglia dealer—he speaks yours too.

'DONKEY SMEARS' SAID ALIEN TO SOVIETS

Abstract Art Not for Nikita

(CP from AP-Reuters)

MOSCOW—The Soviet press gave special prominence Sunday to disparaging remarks about abstract art made by Premier Khrushchev.

The premier issued his pronouncement Saturday after visiting a display of Soviet abstract paintings at an undisclosed spot in Moscow.

"One isn't able to tell," said

Khrushchev, "if they were drawn by the hand of man, or smeared by the tail of a donkey."

He said such paintings were alien to the Soviet way of life and implied they would not be tolerated.

He complained that "several artists have a lofty and contemptuous attitude to public opinion."

He said the problems of the development of art were "important problems which, following Lenin's instructions, we should all keep in the centre of our attention."

"A picture must elevate a man and inspire him."

He said Russian graphic art "must truthfully depict, by a variety of means, the life of the people, inspire people to the building of communism, inculcate in man the best, most noble feelings and a deep understanding in all that is beautiful."

The official Communist party newspaper Pravda spread his remarks over more than a fourth of its front page Saturday. Most other newspapers, including the official military newspaper Krasnaya Zvezda (Red Star), did the same.

Yacht Basin Costs Down

Royal Victoria Yacht Club may be able to accommodate between 50 and 70 boats at the proposed moorage development in Shoal Harbor, according to Commodore R. Hamilton Smith.

He said the cost of the development will be lower than was at first estimated and this will enable the operation to be expanded.

Mr. Smith said drilling tests show the area is easy to dredge and that piling will not meet obstructions. Detailed plans will be prepared for submission to club members by early spring at the latest, he said.

JERUSALEM (AP)—Attorney-General Gideon Hausner, who prosecuted Adolf Eichmann, has offered his resignation to Premier Ben-Gurion. He is reported to be in disagreement with Justice Minister Dov Joseph concerning the area of competence between his own and the justice minister's office.

FAST-GROWING GROUP

Art League Showing Attracts Good Crowd

Hundreds of people viewed the works of artists, craftsmen and students of the Art League, Victoria's growing and expanding art school, at a special reception-exhibition recently.

The exhibition was held at the Cypress Gallery, the Art League and Green Dolphin, which are all situated under one roof at Fort and Broad Streets.

These included Brian Travers-Smith, Naomi Patterson and Mr. Edwards.

Visitors were attracted to Bob Cook's demonstration of silk screen printing and a pastel portrait of a dog executed by Mrs. Patience Edwards.

Eric Charman, president of the Junior Chamber of Commerce, has denied that the Jaycees have interfered in Saanich affairs.

The Jaycees have promoted amalgamation between Saanich and Victoria for several years. This has resulted in charges of meddling being thrown at them.

Mr. Charman said membership in the Jaycees includes many Saanich residents. And he added that the Junior Chamber takes in the municipality of Saanich.

Equal time will be given to both sides when the Jaycees sponsor a forum on amalgamation at 8 tonight in Lansdowne Junior High School.

RUSSIANS REMOVING BOMBERS FROM CUBA

WASHINGTON (AP) — The Russians have begun taking their IL-28 jet bombers out of Cuba, the U.S. defense department announced today.

Assistant Defense Secretary Arthur Sylvester announced that the first of a reported 30 or more twin-jet bombers "are in the process of being withdrawn."

Photographs taken by U.S. patrol planes indicated that the Russian ship Okhotsk was moving off the northern coast of Cuba on Saturday with three bomber fuselages visible on its deck, Sylvester told a press conference.

IN CALIFORNIA FOG

Oriana Bumps Into Carrier

LONG BEACH, Calif. (AP) — The U.S. aircraft carrier Kearsarge and the big British passenger liner Oriana collided in a fog today. First reports were that no one was hurt but that both ships suffered damage.

Both headed for berths here after the collision a mile off Long Beach breakwater.

One source reported that the Kearsarge had a 15- by 20-foot hole in its bow and the Oriana had a 15- by seven-foot hole above the water line its bow.

The Kearsarge is the carrier that recovered astronaut Wally Schirra in the Pacific after his six-orbit space flight earlier this year. The Oriana, put into service last year, is the \$40,000,000 pride of the P. and O. Orient Line.

The Oriana's bow was reported damaged, but early reports that a fire had broken out proved wrong.

The Kearsarge was reported damaged on one side and there were reports of fire that was controlled.

The Oriana left San Francisco Sunday with an estimated 800 passengers en route to Honolulu and Australia via Los Angeles.

The Oriana is a familiar sight to Victorians on her trips through Juan de Fuca Strait. About 50 persons from Vancouver Island boarded the Oriana at Vancouver Thursday on her present voyage.

Top Italy Red Lines Up With Russia

ROME (AP) — The Italian Communist chief, Palmiro Togliatti, accused Red China and its European ally Albania Sunday of a smear campaign against world communism.

He added that in view of the dangers of nuclear war, Communists must seek a non-aggression pact between East and West. Togliatti made the statements in a three-hour speech opening his party's annual six-day national congress.

The 69-year-old political secretary of Western Europe's biggest Communist party lined up solidly with the Soviet Union in the Moscow-Peking dispute.

Togliatti spoke of "great respect" for Communist China, but called Peking's border conflict with India "unreasonable and absurd."

"A conflict between India and China cannot but have negative effects on the fight against imperialism and for peace. Therefore we are disturbed at seeing Chinese Communists engaged in a conflict whose necessity we do not understand."

City Officials Study Plans To Meet 'Invasion' of Sons

JEROME MAY NEVER RACE AGAIN

VANCOUVER (CP) — The Sun says Harry Jerome must wait six months or more before he'll know if he'll ever be able to sprint again.

Co-holder of two world sprint records, Jerome now is progressing favorably in hospital from surgery that patched up a muscle torn loose in the final of the 100-yard dash at the British Empire Games in Perth, Australia.

Bruce Larsen, Sun sports editor, says Jerome was told before he consented to the operation that without surgery the muscle tear would stop him from all future track competition.

"The two specialist surgeons who did the patching told him his only chance for further competition was through the operation. They didn't give him odds on success," Larsen says.

VISITS RUSSIA

Twelve-day "unofficial" holiday in Russia was begun today by President Tito of Yugoslavia. He is expected, however, to hold policy talks with Premier Khrushchev. It is Tito's first visit to the Soviet Union in six years.

First Busload Tuesday

City Hall officials today held a quick strategy meeting as a busload of Sons of Freedom Doukhobors prepared to head for Victoria.

Premier Bennett promised to meet leaders of the Freedomites, who say they plan to camp on the lawns of the Legislative Buildings.

Mayor R. B. Wilson, after more than an hour's talk with council members and city staff, said the session was devoted to assessing the situation and determining the division of responsibilities.

"We're just studying the position," he said, declining to elaborate.

Earlier, aldermen had been told that responsibility for policing the Legislative Buildings property rests with the RCMP.

CONFIDENT

City Hall officials generally displayed steady confidence that the arrival of the Freedomites would not cause any serious problems and they indicated they felt the less said about the situation the better.

One council member even drew some humor from the occasion, quipping: "It looks like our Publicity Bureau has really overstepped itself in efforts to extend the tourist season."

"If they send some representatives here, I'll see them," Mr. Bennett said at a press conference.

Rushing behind a police escort the official party groped its way through the foggy corridors of the CNE stadium and came up against a door labelled: Ladies.

Check Signals

TORONTO (CP) — Wrong John John.

Prime Minister Diefenbaker attending the start of the two-part Grey Cup final here Saturday, started out to find the men's washroom.

But he wouldn't say if the Freedomites will be allowed to camp on the lawns, as they say they will.

"That isn't my responsibility," he said.

'WHY ANTICIPATE'

Asked what it was, he replied: "They haven't camped on the lawn yet—why anticipate things?"

He said he didn't know what measures should be taken because nobody else had ever done it.

Alex Reibin, 1009 Fairfield, a Victoria shipyard worker and a Doukhobor, said he will meet the Freedomites in Victoria and do everything he can to help them. Last month he took blankets and food to Freedomites camped near a r. Colwood.

He said the only solution to the Freedome problem is for the B.C. government leaders to sit down and talk with them.

Mr. Bennett said the government has done everything it could so far to help the Freedomites. It has given them their vote, recognized their mar-

Chinese Reported In 'Withdrawal'

NEW DELHI (Reuters) — Prime Minister Nehru said today "apparently there has been some withdrawal" by Communist Chinese troops along the disputed Chinese-Indian border. But Nehru told the Indian Parliament it was difficult to say how many Chinese had withdrawn, or where the withdrawal was taking place. He said "the process appears to be going on in various places."

Nehru said the Chinese were beginning their promised pullback in the rear of their lines, while in front-line positions they might have thinned out, but had not actually withdrawn.

An external affairs ministry spokesman said the question of Indian withdrawal in the disputed border area did not arise at present because the Indian government has not yet made any decision on the Chinese cease-fire and withdrawal proposals.

Indian Home Minister Lal Bahadur Shastri said "Sunday India would not hold border talks with China unless they withdrew to the positions they held before Sept. 8.

China's Nov. 21 cease-fire proposal called for the withdrawal of Chinese troops beginning Dec. 1 to 12½ miles behind "line of actual control" on Dec. 7, 1959. This would leave larger border areas in northern Ladakh, claimed by India, in Chinese hands.

Meanwhile, United States Ambassador John Kenneth Galbraith today visited Indian troops at army headquarters in Texpur on the North-South Frontier in a two-hour helicopter trip.

An Indian spokesman said the purpose of the visit was Galbraith could get "some feel of the situation" and find out what officers on the spot thought were Indian military requirements.

Injunction Sought

WASHINGTON (UPI) — President Kennedy today invoked the Taft-Hartley law in the labor dispute involving the Lockheed Aircraft Corp. and the International Association of Machinists.

He instructed Attorney-General Robert Kennedy to seek an immediate federal injunction against continuation of the Lockheed strike.

Cuban Talks Resumed

PEKING (Reuters) — The

first semi-official Chinese Communist reaction to the long-awaited Indian response to Chinese proposals to end the Himalayan border fighting is one of angry disappointment, reliable reports in diplomatic circles here say.

A copy of Prime Minister Nehru's letter to Chinese Premier Chou En-lai, rejecting China's Nov. 21 cease-fire proposals in their present form and asking for further clarification, was handed over at the foreign ministry Sunday night by India's charge d'affaires, P. K. Banerjee.

Diplomatic reports said one semi-official Chinese reaction could be summed up as "it is time to stop writing letters and get to the conference table."

Bomb Blasts in Spain

MADRID (UPI) — A series of

bombs exploded in government buildings at separate points in Spain today on the eve of Generalissimo Francisco Franco's 70th birthday. First official reports said there were no casualties and damage to the buildings was minor.

Pearson Charges PC With 'False' Report

OTTAWA (CP) — Opposition Leader Pearson today accused Agriculture Minister Hamilton of a "false" statement in the face of contrary evidence.

Arnold Peters (NDP-Timiskaming) said Mr. Hamilton should apologize to the Commons and the country for the statement. The NDP had stated the wheat agreement with China should be extended.

Frank Howard (NDP-Skeena) described the statement attributed to Mr. Hamilton as "malicious."

There was no comment from

Commons that his party supported the government.

Centennial Flashback . . .

THIS DAY IN VICTORIA - 1862

DECEMBER 3

A party of men left Victoria today for Nanaimo aboard the schooner Amelia to blaze out the new trail from Comox. They are employed by the government.

The Emily Harris arrived in the harbor today bringing 70 tons of coal from Nanaimo for the Victoria Coal Company. She reported the Seyburn has also sailed with a load and the schooners Alpha and North Star are bound for Victoria with coal.

The dwelling of Mrs. Blinkhorn, which was built in 1853 at what is now the corner of Broad and Yates Streets, will be moved today to make room for a more modern structure.

Miss Lulu Sweet, the charming little actress who has been performing at Victoria Theatre for the past five weeks, will conclude her engagement tonight and leave in time to catch the next steamer to San Francisco.

FRIENDSHIP DOLLARS

Guides' Bazaar Boosts Fund

Amounts ranging from \$2 from an old age pensioner to \$25 from 11th Victoria Girl Guides reached The Times "Friendship Dollars for India" fund today and swelled the total to \$3,265.63.

The Guides raised their very welcome contribution by making and selling cookies and by organizing a tea and bazaar.

CANADA ESCAPES OIL CURB

WASHINGTON (CP)—A revised United States oil import policy goes into operation Jan. 1 and though Canada is excluded from the new restrictions, the program indicates diplomatic pressure may be used to force Canada to show some restraint in the free expansion of her oil exports.

Major feature of the new policy, announced by President Kennedy Friday, is to pin calculation of compulsory oil import quotas—from which Canada and Mexico were excluded in 1959—to a percentage of what the U.S. produces rather than what she consumes.

CALGARY (CP)—The western Canadian oil industry breathed a sigh of relief following an announcement by President Kennedy Friday that Canada will not be affected by a revised U.S. oil import policy.

"This is something the Canadian petroleum industry had hoped for," said Carl O. Nickle, a spokesman for the industry. "The U.S. administration should be congratulated for standing firm against pressures from some segments of the U.S. oil industry which oppose growth of oil imports from Canada."

Existing quotas are based on 9 per cent of estimated U.S. consumption. New quotas for the first half of 1963 will be based on 12.2 per cent of crude oil and natural gas liquids produced by the U.S. in the first half of 1962.

Though Canada and Mexico are exempt from the quotas, imports from these two countries will be calculated as part of the over-all 12.2 per cent import allowance. Mexico has agreed to limit her shipments to 30,000 barrels a day. Canada has not, and her shipments to the U.S. have risen to an average of about 235,000 barrels daily this year from 183,000 in 1961 and 114,000 in 1960.

FERRY RUNS CANCELLED AGAIN

Another Week of Storms Forecast; Island Battered by Weekend Winds

Another week of storms with as southeast and southwesterly gales pounded in. Snow covered the Sooke hills and upper levels this morning. For the second time in three days B.C. Ferries cancelled service between Nanaimo and Horseshoe Bay and Swartz Bay and Tsawwassen when winds made landing at Tsawwassen terminal hazardous.

Trees toppled, power lines snapped, roofs flew off and windows blew in at scattered points about Greater Victoria

port vessel, one of five ships that stood by as three RCAF and one U.S. Coast Guard aircraft flew the area.

The fishing vessel radioed distress at 1:04 p.m. Saturday, and the signal was received at Sea Island rescue and co-ordination centre.

Skipper was John Peterson, with Nils Strom, and John Holmen, all of Seattle, and Olav Stave, Milton, Wash., as crew.

13 MAROONED

The ferry City of Victoria, carrying 60 passengers, 20 cars and a bus, put out at 7 p.m. for Tsawwassen, met the City of Vancouver at Active Pass and turned back as high winds at Tsawwassen would have made landing too dangerous.

Mr. Aldous said he ordered a tow boat to Tsawwassen to aid landing, but the storm prevented the tow boat from reaching the scene.

Service was cancelled until 10 p.m., when the City of Vancouver took the earlier load across as wind dropped from 50 miles an hour.

Snow drifts, deep ruts, pools of water and gale winds made the trip hazardous, passengers said.

"It was a hair-raising experience driving along that road," said Mrs. Susie Bird, a Times correspondent who was with the party.

"On several occasions the bus appeared to be in danger of toppling over," Mrs. Bird said.

Two people were blown off their feet by the storm in Victoria, one an elderly woman walking downtown, the other a Scandinavian man, out to inspect a barn that had just lost its roof in the gale.

Police said F. A. Potts, 785 West Burnside, was taken to hospital and admitted in satisfactory condition.

POWER INTERRUPTED

Power was lost temporarily in Gordon Head, Ardmore, Ten Mile Point and Elk-Beaver Lake districts, but telephone service was hardly affected.

Heavy seas washed over Dallas Road at Ross Bay, sending drift logs crashing to the street, and the stretch of waterfront was closed to traffic.

Part of a roof blew off at Fort near Broad, sending heavy slates crashing to the street, and the roof of City Hall was damaged, where firemen made temporary repairs.

The frame and four large windows were blown onto a static landing near the top floor of 68-year-old North Ward School during the heavy blow.

And at Moss and Richardson about 30 feet was blown off the top of a landmark cedar of Lebanon, sending it into the street without causing damage.

The rare old tree's companion is better known—a California redwood that rises more than 100 feet from the boulevard, and apparently was undamaged.

GUSTS TO 83 MPH

Winds reached their peak average of 50 miles an hour between 5 and 7 p.m. Saturday, gusting to 83, then 74, then dropping to southwest 40 by 1:30 a.m. Sunday.

There was light rain before fresh wind Sunday, with snow in the hills—just the fringe of the blow that dumped 2.62 inches of rain at Medford, Ore.

Changeable conditions are forecast, the rest of the week, with possibility of mixed rain and snow Sunday morning and winds 25-30 mph.

Temperatures will be 32-38 overnight, possibly 45 during the day.

Bennett Plans B.C. Finances Talk in Toronto

Premier Bennett said today he will go to Toronto next Valentine's Day to explain the financial position of B.C.

He is accepting an invitation to address bankers, insurance men and investment fund dealers on Feb. 14.

The invite came from A. J. Milner, head of the Investment Dealers Association of Canada.

Mr. Bennett said he met Mr. Milner in New York last month and was asked then if he could go to Toronto.

Mr. Bennett said he will speak for half-an-hour to the financiers, and then answer any questions they may have.

ASK THE TIMES

Q. What is a "hackett"? T.F.

A. It is another name for the animal commonly known as a chipmunk.

Q. Do any U.S. coins bear the portrait of a woman?

A. Only one—the Queen Isabella commemorative quarter authorized by Congress in 1893. The coins were sold for \$1 during the Columbian Exposition.

The official said development of B.C. crude oil has been spectacular over the past two years.

Production has soared from 68,000,000 barrels to 400,000,000.

FBI Nabs 'Most Wanted' Bank Bandit

WASHINGTON (AP)—The FBI today announced the capture of one of its 10 most wanted criminals in a Hollywood, Calif., apartment. The FBI identified the man as John Kinchloe De Jernette, 41, a native of Kentucky. They said he was placed on the most wanted list only last Friday in connection with three bank robberies totaling \$100,000.

Bruins Pick Up Forbes Kennedy

BOSTON (AP)—Boston Bruins, deep in the National Hockey League cellar, acquired Forbes Kennedy, 23, from Detroit Monday in exchange for Andre Pronovost, 26, a left winger.

Kennedy has been playing with Edmonton Flyers in the Western Hockey League, scoring seven goals and four assists.

Navy Plane Crashes on Guam; 3 Die

AGANA, Guam (UPI)—A Navy C-121 Super Constellation cargo plane crashed and burned today during a landing attempt at Agana naval air station.

Five members of the crew survived the crash, and three others were presumed dead. A spokesman for the military air transport service, for which the plane was operating, said no passengers were believed to be aboard.

Stewart Gets Indefinite Suspension

VANCOUVER (CP)—Fiery Gogie Stewart of the Columbus soccer team has been indefinitely suspended by the B.C. Soccer Commission for "gross misconduct."

The suspension followed a dispute with referee Dan Kula, who was subsequently attacked by an irate fan in a Pacific Soccer League game Sunday. (See story Page 11.)

Son of India President Stabbed

NEW DELHI (Reuters)—Prime Minister Nehru told parliament today Dr. S. Gopal, son of India's president, was stabbed with a table fork by a junior clerk in an Indian consulate in Indonesia while travelling in a plane Sunday.

IN CALIFORNIA FOG

Oriana Bumps Into Carrier

LONG BEACH, Calif. (AP)—There were reports of a fire that was controlled.

The Oriana left San Francisco Sunday with an estimated 800 passengers en route to Honolulu and Australia via Los Angeles.

Both headed for berths here after the collision a mile off Long Beach breakwater.

One source reported that the Kearsarge had a 15- by 20-foot hole in its bow and the Oriana had a 15- by seven-foot hole above the water line its its been damaged.

The Kearsarge is the carrier that recovered astronaut Wally Schirra in the Pacific after his six-orbit space flight earlier this year. The Oriana, put into service last year, is the \$40,000,000 pride of the P. and O. Orient Line.

The Oriana's bow was reported damaged, but early reports that a fire had broken out proved wrong.

The Kearsarge was reported damaged on one side and there

AT NANAIMO

Six Boys Survive Ordeal

Six boys stranded overnight Sunday on snow-covered Mount Benson, five miles from Nanaimo, walked out to safety today.

The youths had been isolated on the mountain without food for about 24 hours. Some were without heavy winter clothing.

First reports indicate that they were cold and hungry but otherwise in good condition.

SEARCH CALLED OFF

A search party that had been tramping knee-deep through the snow on the mountain since daylight today had been called off.

The boys are Allan Noble, 15; Doug Sanders, 12; Pat Ferrier, 15, and Ricky Fawkes, 15; Ted Battisti, 13, and his brother Chris, 17.

RCMP said the boys spent the night in a cabin.

They went for a hike on the lower slopes of the 2,800-foot mountain Sunday morning. The father of one of the boys was to pick them up at 3 p.m. and bring them home.

HALTED BY DARK

When they failed to turn up a search party was quickly organized but it had to stop looking because of darkness. So far as is known the boys only had one flask of coffee between them.

Temperatures on the mountain were below freezing overnight. The boys are believed to have had matches with them.

Three feet of snow hindered the search operations and RCMP called in an RCAF Search and Rescue plane to aid in the opera-

Top Italy Red Lines Up With Russia

ROME (AP)—The Italian Communist chief, Palmiro Togliatti, accused Red China and its European ally Albania Sunday of a same-a campaign against world communism.

He added that in view of the dangers of nuclear war, Communists must seek a non-aggression pact between East and West. Togliatti made the statements in a three-hour speech opening his party's annual six-day national congress.

Togliatti spoke of "great respect" for Communist China, but called Peking's border conflict with India "unreasonable and absurd."

A conflict between India and China cannot but have negative effects on the fight against imperialism and for peace. Therefore we are disturbed at seeing Chinese Communists engaged in a conflict whose absurdity we do not understand."

Reserve Increased

OTTAWA (CP)—Canada added \$68,600,000 to its foreign exchange reserves during November before paying off another \$75,000,000 in short-term debts incurred last June during the foreign exchange crisis.

RUSSIANS REMOVING BOMBERS FROM CUBA

WASHINGTON (AP)—The Russians have begun taking their IL-28 jet bombers out of Cuba, the U.S. defense department announced today.

Assistant Defence Secretary Arthur Sylvester announced that the first of a reported 30 or more twin-jet bombers "are in the process of being withdrawn."

Photographs taken by U.S. patrol planes indicated that the Russian ship Okhotsk was moving off the northern coast of Cuba on Saturday with three bomber fuselages visible on its deck, Sylvester told a press conference.

FRIENDSHIP DOLLARS

Guides' Bazaar Boosts Fund

Amounts ranging from \$2 from an old age pensioner to \$25 from 11th Victoria Girl Guides reached The Times "Friendship Dollars for India" fund today and swelled the total to \$3,265.63.

The Guides raised their very welcome contribution by making and selling cookies and by organizing a tea and bazaar.

Many donations are from people who can barely afford them. Another pensioner sent \$10 "because I feel there is

no more worthy cause and we must all strive to help according to our means."

A late contribution, not included in today's list is \$30 from a reader who simply gives the initials "M.J.M."

"I only wish I could give more," wrote a Victoria woman enclosing \$2, "but I guess every little helps."

It certainly does. Donors are asked to send whatever they can afford to "Friendship Dollars for India," care of The Times, 2631 Douglas. The

Bank of Montreal at Douglas and Yates will also accept donations to the fund.

The money is urgently needed for the life-sustaining work

of the Unitarian Service Committee in India.

The Times will publish an acknowledgement of your contribution and a receipt for income tax purposes will be sent later by the USC.

PEKING (Reuters)—The first semi-official Chinese Communist reaction to the long-awaited Indian response to Chinese proposals to end the Himalayan border fighting is one of angry disappointment.

Indian Home Minister Lal Bahadur Shastri said Sunday India would not hold border talks with China unless they withdrew to the positions they held before Sept. 8.

China's Nov. 21 cease-fire proposal called for the withdrawal of Chinese troops beginning Dec. 1 to 12½ miles behind "line of actual control" on Dec. 7, 1959. This would leave larger border

areas in northern Ladakh, claimed by India, in Chinese hands.

Meanwhile, United States Ambassador John Kenneth Galbraith today visited Indian troops at army headquarters in Texpur on the North-eastern Frontier in a two-hour helicopter trip.

An Indian spokesman said the purpose of the visit was so Galbraith could get "some feel of the situation" and find out what officers on the spot thought were Indian military requirements.

'Stop Letters Start Talks'

PEKING (Reuters)—The first semi-official Chinese Communist reaction to the long-awaited Indian response to Chinese proposals to end the Himalayan border fighting is one of angry disappointment.

A copy of Prime Minister

Nehru's letter to Chinese Premier Chou En-lai, rejecting

China's Nov. 21 cease-fire pro-

posals in their present form,

and asking for further clarifi-

cation, was handed over at the

Two Safes Cracked

Thieves broke into two safes in the Greater Victoria area over the weekend, netting over \$7,000, it is believed.

Coldwood RCMP are investigating a safe-cracking that occurred some time Sunday night in the Coldwood Pharamacy, 801 Goldstream.

Manager of the store, R. E. Spurling, said the thieves took "a considerable sum" before receipts from Friday, Saturday and Sunday.

Total sum taken is believed to be about \$7,000.

City police also received a report of a safe-cracking over the weekend at Humber Furniture Ltd., 331 Bastion. The break-in yielded \$363.

Pearson Charges PC With 'False' Report

OTTAWA (CP)—Opposition Leader Pearson today accused Agriculture Minister Hamilton of a "false" statement "made with deliberation."

He said in the Commons that the minister's office had made public the text of a speech by Mr. Hamilton in Calgary today and that this text stated the Liberals and New Democratic Party are opposed to the wheat agreement with Communist China.

Frank Howard (NDP—Skeena) described the statement attributed to Mr. Hamilton as "malicious."

There was no comment from the government.
